Bulldog Memory Lane

Bulldog Memory Lane is an opportunity to become an immortal part of Safford High School. On the walkway around the sculpture on the campus of SHS, engraved bricks feature names of alumni, athletes, scholars, teachers, events, or friends.

Bricks can be purchased to commemorate your graduation, a sports championship, an award, an event, or to honor a teacher or friendship. They make great gifts for graduation, birthdays, Christmas, or reunions for the special classmate.

The price of the brick includes up to three lines of engraving with 18 spaces per line. Bricks can be purchased for the TAX DEDUCTIBLE price of $85 each. All profits from the brick project will be used for scholarships through the SHS Scholarship Foundation. You can pick which scholarship you want your donation to support.
