

Earhart Elementary School Plan on a Page 2025-2026

Mission Statement

To inspire and empower all children to learn, hope, dream, excel, contribute, create, and appreciate.

Value Statements

We believe that all students can learn.

We believe that all students deserve to celebrate success.

We believe the Earhart environment should value and celebrate diversity, creativity, safety, integrity, and excellence.

We believe students and families should be responsible and take an active role in their education.

Goals

- **ELA Student Achievement** – By the spring of 2026, students in Grade 3-4 will increase their proficiency by 3% on the English/Language Arts portion of the state assessment.
- **Math Student Achievement** – By the spring of 2026, students in Grade 3-4 will increase their proficiency by 5% on the math portion of the state assessment.
- **Science Student Achievement** – By the spring of 2026, students in Grade 4 will increase their proficiency by 6% on the science portion of the state assessment.
- **Attendance Goal** – By the spring of 2026 we will increase our annual attendance rate to 96%.

Strategies

ELA Student Achievement

*Grade K-2 will provide explicit phonics instruction daily.

*Use MyView reading and writing curriculum daily to address and assess the standards of focus in our curriculum maps.

*Use writing and speaking strategies from ELlevation with all of our students at least once a week.

Math Student Achievement

*Teachers will provide daily instruction on problem solving strategies.

*Students will complete 2 IXL lessons a week with a SmartScore of 80.

*Classroom teachers will create small groups to provide additional remediation and enrichment for math skills at a minimum of 3x per week.

Project Lead the Way - Science

*Each classroom will complete one Project Lead the Way module per quarter.

*Teachers will pair a nonfiction/scientific book into reading curriculum at least two times per month.

* Teachers will use Ellipsis lessons to teach computer science standards, as laid out on the corporation math curriculum maps, every 3 weeks.

ILEARN DATA - ELA

2023 ILEARN ELA = 41%
2024 ILEARN ELA = 36%
