WELCOME!

...to the wonderful world of Fort Worth ISD Gold Seal Programs and Schools of Choice. As you'll see in the catalog, there's something for everyone. Think Aviation, Cybersecurity, Cosmetology, Fine Arts, STEM, and Early College High Schools, just to name a few. Each has its own rigorous and engaging educational path to achievement.

Parents of young students will be happy to know some programs start as early as kindergarten. Parents of older students will want to take note of our Early College High Schools, where students can earn enough hours to graduate high school with their college associate degree – tuition free!

There is more information at www.fwisd.org/choices, where you will find short videos in English and Spanish that take you inside Gold Seal Programs and Schools.

Now, enjoy exploring these pages and finding the right fit for your child's talents, skills, and dreams for the future. You will see why we say:

Your child belongs here – in a Fort Worth ISD Gold Seal Program or School of Choice!

Non-Discrimination Policy in Career and Technical Education Programs

1. Fort Worth ISD offers Career and Technical Education programs in all 14 career clusters, including Gold Seal Programs of Choice Programs. Admission to the programs is based on interest, lottery selection, age appropriateness, and class space availability. 2. It is the policy of Fort Worth ISD not to discriminate on the basis of race, color, religion, gender, national origin, age, sexual orientation, disability, gender identity and expression, military/veteran status, or any other basis prohibited by law in its vocational programs, services or activities as required by Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendments of 1972; and Section 504 of the Rehabilitation Act of 1973, as amended. 3. The Fort Worth Independent School District prohibits discrimination, including harassment, on the basis of race, color, religion, gender, national origin, age, sexual orientation, disability, gender identity and expression, military/veteran status, or any other basis prohibited by law in its employment practices as required by Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendments of 1972; the Age Discrimination Act of 1975, as amended; and Section 504 of the Rehabilitation Act of 1973, as amended. 4. Fort Worth ISD will take steps to assure that lack of English language skills will not be a barrier to admission and participation in all educational and vocational programs. 5. For information about your rights or grievance procedures, contact the Title IX Coordinator and/or the Section 504 Coordinator listed below. Retaliation against anyone involved in the complaint process is a violation of District policy. The following persons have been designated to handle inquiries regarding the non-discrimination policies: Carolyn Smythe, 504 Coordinator, 7060 Camp Bowie Blvd, Fort Worth, TX 76116, 817.814.2878, E-mail: Carolyn.Smythe@fwisd.org. Cynthia Allen, Title IX Coordinator, 100 N. University Dr., Fort Worth, TX 76107, 817.814.1833, Email: Cynthia.Allen@fwisd.org. Dr. Lisa Langston, Director of UIL Compliance, 7060 Camp Bowie Blvd, Fort Worth, TX 76116, 817.815.7307, Email: Lisa.Langston@fwisd.org.

ABOUT GOLD SEAL

PROGRAMS OF CHOICE

Gold Seal Programs of Choice are specialized programs that are located in a traditional elementary, middle, or high school campus. All programs are described in this publication, along with the college and career opportunities they provide after completion of the four-year high school programs. The students in these programs applied and were assigned to each campus through the Gold Seal application process.

★ SCHOOLS OF CHOICE

Fort Worth ISD offers several Gold Seal Schools of Choice with various areas of focus at different grade levels. These schools offer a smaller learning community of students with similar interests, all of whom applied and were assigned to the campus through the Gold Seal application process. There are several differences between a traditional school and a School of Choice:

1. Schools of Choice are not identified by a neighborhood.
2. Schools of Choice have a specific focus (Career and Technical Education, STEM, Visual & Performing Arts, World Languages, Applied Learning, or Montessori).
3. Students cannot apply to a School of Choice through the District's transfer process.

Secondary Schools of Choice do not offer UIL athletics (with the exception of Young Men's Leadership Academy, Young Women's Leadership Academy, and Trimble Technical).

LOTTERY

Admission is based on a computer-generated selection process. As determined through Board Policy, students will be given the following weighted ranking order during the lottery process:

GOLD SEAL PROGRAMS OF CHOICE

1. Students living in the school's attendance zone
2. Siblings of resident students who are concurrently enrolled in the school's Program of Choice
3. Children of resident District employees
4. Students living in the District but outside of the attendance zone
5. Children of non-resident District employees
6. Students living outside of the District

★ GOLD SEAL SCHOOLS OF CHOICE

1. Siblings of resident students who are concurrently enrolled in the school
2. Children of resident District employees
3. Students living in the District
4. Children of non-resident District employees
5. Students living outside of the District

WAITING LIST

Students not selected for their first choice will be placed on a waiting list for their first choice, unless their first choice is Arlington Heights Dance or YWLA. If applicants to these programs are not identified as eligible through the screening process, they will be placed on the waiting list for their second choice if not assigned to their second choice.

HOW TO APPLY

Assignments to Schools of Choice or a Program of Choice are made through the Gold Seal application and lottery process.

1. **Review your choices in this catalog and make a plan. Find more information at:**

www.fwisd.org/choices

2. **Log into your Fort Worth ISD Parent Portal account to access the Gold Seal application:**

www.fwisd.org/parentportal

Need a Parent Portal account? A working email address is required to create a Parent Portal account. The email address should be a family email address that is checked regularly. It cannot be a student's FWISD email address (stu.fwisd.org) assigned to them by the District.

3. **Complete a separate online application for each child applying for a Program of Choice or School of Choice.**

- Students applying to Arlington Heights Dance, I.M. Terrell Academy for STEM & VPA, Young Women's Leadership Academy, and Young Men's Leadership Academy require additional documents and/or an audition. Specific information is provided in their program descriptions.
- Falsifying information on the Gold Seal application will invalidate it, and the student's application will be excluded from the selection process.

4. **For support, visit www.fwisd.org/ChoicesFAQ or email choices@fwisd.org.**

TRANSPORTATION

Transportation is provided to in-District students.

- Elementary Schools of Choice (SOC) and Programs of Choice (POC) bus stop locations will be at elementary school campuses.
- Middle School SOC and POC bus stop locations will be at middle school campuses.
- High School SOC and POC bus stop locations will be at middle school campuses.
- Bus routes are determined by students' home addresses only.
- Transportation is not provided for before or after-school activities or extracurricular activities.

GRADES K-5

 School of Choice

Alice Carlson Applied Learning Center

3320 W. Cantey St. | 817.815.5700

Applied Learning

- Grades K-5

Although Carlson’s instructional program has many features found in other elementary schools, Applied Learning is the major instructional approach. Important features of Applied Learning are its connection to real-world experiences, its focus on project work, and its provision for collaborative learning.

APPLIED LEARNING

Applied learning asks students to learn curriculum content and to use what they learn in solving a problem or fulfilling some important need. It leads to a solution that addresses an audience. Applied learning is based on the belief that, to be relevant, learning must apply to real situations. Famed philosopher and educator John Dewey described it as “the idea that there is an intimate and necessary relation between the processes of actual experience and education.” The approach requires students to communicate in different circumstances, in a variety of media, with a variety of technology. Teachers and students share responsibility for defining problems, figuring out the best way(s) to solve problems, finding resources, and engaging in tasks that are increasingly demanding and complex.

Grades K-5

Grades K-5

★ School of Choice

Riverside Applied Learning Center

3600 Fossil Dr. | 817.815.5800

Applied Learning

- Grades K-5

Riverside Applied Learning Center sits in north Fort Worth and draws students from across the city for the applied learning model. The curriculum model teaches your child to be an independent learner while still working as a team. Students will apply what they learn in the classroom to new situations.

Grades K-5

Applied Learning Center at J.T. Stevens Elementary

(Program of Choice at a neighborhood school)

6161 Wrigley Way, 76133 | 817.814.8500

Applied Learning

- Grades K-5

Southwest Fort Worth is home to J.T. Stevens Elementary School, which includes its Applied Learning Center. Although the campus has a rich history — it opened in 1967 — the Applied Learning Center started accepting students in 2014. In the Applied Learning model, students especially learn communication skills, writing, and problem-solving.

Grades K-5

★ School of Choice

Daggett Montessori

801 W. Jessamine St., 76110 | 817.814.6300

Montessori

- Grades K-8
- Daggett Montessori offers band, choir, orchestra, theater, and art for grades 6-8. The campus does not offer athletics.

Fort Worth's Fairmount neighborhood is rich with history, including the first Montessori school in Fort Worth ISD — Daggett Montessori. The unique campus includes a covered picnic pavilion, greenhouse, and several gardens, all giving students learning opportunities outside the traditional classroom.

MONTESSORI

Montessori is a unique and innovative learning community founded on the highly successful theories and principles of Maria Montessori. The primary focus of Montessori education is the emphasis on the development of the whole child (intellectually, socially, and emotionally). The Montessori cornerstones are teacher observation, the prepared environment, and cultivation of the inner discipline of the child. Multi-aged, heterogeneous grouping of students (K, 1/2/3/4/5, and 6/7/8) promotes responsibility, self-management, and learning through peer teaching and social interaction.

Montessori work plans are a discussion between adult and child to aid the child in planning his or her own life. Large blocks of uninterrupted work time provide opportunities for depth and complexity of work and enhance critical thinking skills. Montessori-trained teachers work within a challenging curriculum as they guide and motivate students to become lifelong learners.

Grades K-5

Grades K-5

GRADES 6-8

🌟 School of Choice

Applied Learning Academy

3908 McCart Ave., 76110 | 817.815.5500

Applied Learning

- Grades 6-8
- Applied Learning Academy offers band, choir, orchestra, theater, and art. The campus does not offer athletics.
- **Students who have previously been assigned to an Elementary Applied Learning campus must apply to attend Applied Learning Academy for 6th grade.**

The 5 key components of ALA's model are joyful learning, relevant learning, advocacy, whole child development, and literacy skills. Students of all backgrounds are immersed in problem solving and standards-based applied learning projects to master the skills needed for life-long learning and active community engagement.

★ School of Choice

World Languages Institute

Instituto de Idiomas del Mundo

4921 Benbrook Hwy, 76116 | 817.815.2200

- Grades 6-12
- World Languages Institute offers estudiantina, theater, and art for all grades. The campus does not offer athletics.

World Languages Institute is a multilingual school that provides a focus for students interested in pursuing a rigorous, accelerated academic program that includes options to complete one or more endorsements: Arts and Humanities, Business and Industry, Multi-Disciplinary Studies and Science, Technology, Engineering and Mathematics (S.T.E.M.), as well as Career and Technical Education Pathways (Project Lead the Way Computer Science and Business Management).

Academic courses are taught in both Spanish and English. Bilingual/multilingual students have the opportunity to begin the study of a third or fourth language. Options include American Sign Language (ASL), Chinese (Mandarin), French, German, and Japanese. Students take Spanish and their third language to the AP level.

Grades 6-8

★ School of Choice

Young Men's Leadership Academy

5100 Willie St., 76105 | 817.815.3400

- Grades 6-12; Associate degree programs available to grades 9-12.
- YMLA offers band, art, and athletics for all grades.
- **Note:** Prospective students must submit an essay with their application.

Young Men's Leadership Academy (YMLA) provides challenging STEM-based (Science, Technology, Engineering, and Mathematics) college preparatory curriculum that caters to the learning styles of young men. Beginning in 7th grade, all scholars are required to study Latin. This standard, especially reflected in our accelerated math and science courses, ensures college preparedness. YMLA's STEM program connects students to innovative partnerships with colleges, universities, and industry. In high school grades, students have the opportunity to earn an associate degree through pathways in robotics and business.

Grades 6-8

★ School of Choice

Young Women's Leadership Academy

401 E 8th Street, 76102 | 817.815.2400

- Grades 6-12
- YWLA offers band, choir, orchestra, art, and athletics for all grades.
- **Must rank YWLA as first choice to be considered.**

• **Note:** Students will be required to attend an interview scheduled by the campus. Applicants must bring a report card and either STAAR or PSAT 8 scores to the interview and be prepared to complete a math and writing assessment.

Young Women's Leadership Academy (YWLA) is a nationally ranked college preparatory program. This academically rigorous program also focuses on social-emotional programming, community service, leadership development, and individualized college planning to prepare girls for lifelong learning and leadership.

- YMLA offers band, art, and athletics for all grades.
- **Note:** Prospective students must submit an essay with their application.

YMLA provides challenging STEM-based (Science, Technology, Engineering, and Mathematics) college preparatory curriculum that caters to the learning styles of young men and connects students to innovative partnerships with colleges, universities, and industry. Beginning in 7th grade, all scholars are required to study Latin. This standard, especially reflected in our accelerated math and science courses, ensures college preparedness. The following pathways are available for grades 9-12:

Architecture, Construction, Manufacturing, and STEM:

- Robotics and Automation (P-TECH)
Associate of Applied Science, Robotics and Automation

Entrepreneurship and Multimedia:

- Business (P-TECH)
Associate of Arts, Business

Industry Partner:
» Texas Instruments

Grades 9-12

School of Choice

Young Women's Leadership Academy

401 E 8th Street, 76102 | 817.815.2400

- Grades 6-12
- YWLA offers band, choir, orchestra, art, and athletics for all grades.
- **Must rank YWLA as first choice to be considered.**
- **Note:** Students will be required to attend an interview scheduled by the campus. Applicants must bring a report card and either STAAR or PSAT 8 scores to the interview and be prepared to complete a math and writing assessment.

YWLA is a nationally ranked college preparatory program for girls. This academically rigorous program also focuses on social-emotional programming, community service, leadership development, and individualized college planning to prepare girls for lifelong learning and leadership.

ACADEMIC

EARN COLLEGE CREDIT OR AN ASSOCIATE DEGREE

AP CAPSTONE ACADEMIES

AP Capstone is a diploma program from College Board that equips students with the independent research, collaborative teamwork, and communication skills that are increasingly valued by colleges. AP Capstone is built on the foundation of two AP courses - AP Seminar and AP Research - that complement other AP courses.

Students who earn scores of 3 or higher in AP Seminar and AP Research, and on four additional exams of their choosing, will receive the AP Capstone Diploma.

- College credit or advanced placement granted for earning high scores on AP exams
- Opportunity to participate in UIL activities

AGRICULTURE

ANIMAL SCIENCE

Animal Science teaches students how to apply biology and life science to real-world life processes of animals and wildlife, either in laboratories or in the field, which could include a veterinary office, a farm or ranch, or any outdoor area harboring animal life.

CAMPUSES

[Arlington Heights High School](#)

[Diamond Hill-Jarvis High School](#)

Certifications: Feedyard Technician in Cattle Care and Handling; Certified Veterinary Assistant or Licensed Veterinary Technician.

AGRICULTURE MECHANICS

Agriculture Mechanics explores the diagnosing, repairing, or overhauling of machinery and vehicles, such as tractors, harvesters, dairy equipment, irrigation systems, and welding equipment.

CAMPUS

[Arlington Heights High School](#)

Certifications: Feedyard Technician in Machinery, Operation, Repair and Maintenance; AWS D.1.1, or AWS D9.1 Certifications; AWS D1.1 - Structural Welding.

Agriculture

AIR AND GROUND TRANSPORTATION

The following automotive programs teach students how to maintain, repair, and refinish automobiles and service various types of vehicles. Students may learn how to run diagnostic testing to determine the issue, collect payment for services or supplies, perform typical vehicle maintenance procedures such as lubrication, oil changes, installation of antifreeze, or replacement of accessories, such as brake pads and tires, perform repairs to bodywork and vehicle structure, and refinish with paint.

AUTOMOTIVE COLLISION REPAIR

CAMPUS

Trimble Tech High School ⭐

Certifications: Automotive Service Excellence (ASE) Entry-Level in Painting and Refinishing Repair (B2), Non-Structural Analysis and Damage Repair (B3), Structural Analysis and Damage Repair (B4), Damage Analysis and Estimating (B6), and Mechanical and Electrical Components (B5); Safety and Pollution Prevention (S/P2) in Collision Repair and Refinish Safety and Pollution Prevention; Inter-Industry Conference on Auto Collision Repair (I-CAR) Certification.

 Dunbar High School

 North Side High School

 Polytechnic High School

 Trimble Tech High School ✨

 O.D. Wyatt High School

Certifications: Automotive Service Excellence (ASE) Entry-Level in Automotive Maintenance and Light Repair (MR), Brakes (BR), Electrical/Electronic Systems (EE), Suspension and Steering (SS); Safety and Pollution Prevention (S/P2) in Automotive Service Safety and Pollution Prevention.

AVIATION MAINTENANCE

Aviation Maintenance introduces students to occupations and educational opportunities related to inspecting aircraft, maintenance procedures, air navigational aids, air traffic controls, and communications equipment to ensure conformance with federal safety regulations.

CAMPUSES

 Dunbar High School

 Eastern Hills High School

 Polytechnic High School

 O.D. Wyatt High School

Certifications: OSHA 30-Hour General Industry Certification; National Institute for Metalworking Skills (NIMS) Industrial Technology Maintenance: Basic Mechanical Systems.

AVIATION MANUFACTURING

P-TECH Associate of Applied Science in Electronics Technology: Robotics and Automation

Opportunity to earn 60+ hours of transferable college credit OR a two-year associate degree.

This program teaches students the process of producing airplane parts.

CAMPUS

Dunbar High School

INDUSTRY PARTNER

Bell Textron

College Level Certificates: Mechatronics Technician, Level 1; Advanced Composite, Level 1; CNC Machinist, Level 1. Certifications: OSHA 30-Hour General Industry.

ARCHITECTURE, CONSTRUCTION, MANUFACTURING, AND STEM

ARCHITECTURAL DESIGN

Architectural Design explores the occupations and educational opportunities associated with developing, engineering, and designing building structures and facilities. This program may also include exploration into collecting and interpreting geographic information, researching and preparing maps, and interior design.

CAMPUS

Trimble Tech High School ★

Certifications: Autodesk Certified Professional, OR User in AutoCAD
Autodesk Certified Professional, OR User in Revit Architecture.

ARCHITECTURAL TECHNOLOGY

This pathway focuses on the use of technology in the design of buildings.

CAMPUS

Diamond Hill-Jarvis High School

Certifications: Autodesk Associate Certified User AutoCAD;
Autodesk Associate Certified User in Revit Architecture.

Architecture, Construction, Manufacturing, and STEM

CONSTRUCTION MANAGEMENT TECHNOLOGY

P-TECH Associate of Applied Science

Opportunity to earn 60+ hours of transferable college credit OR a two-year associate degree.

This pathway focuses on the building of something, typically a large structure.

CAMPUS

 **Diamond Hill-Jarvis High School**

INDUSTRY PARTNERS

 **Magna Mechanical**

 **Habitat for Humanity**

Certifications: Construction Inspection Technician Level 1; Construction Management Technology Level 1; NCCER Core Curriculum OR NCCER Construction Technology AND OSHA 10-Hour Construction Industry.

Architecture, Construction, Manufacturing, and STEM

CONSTRUCTION TECHNOLOGY

Construction Technology is constructing, installing, or repairing structures and fixtures made of wood, such as concrete forms (including frameworks, partitions, joists, studding, rafters, and stairways). This program may also include installing, dismantling, or moving machinery and heavy equipment according to layout plans, blueprints, or other drawings.

CAMPUSES

 **Trimble Tech High School** ⭐

 **O.D. Wyatt High School**

Certifications: NCCER Core Curriculum; NCCER Construction Technology; OSHA 30-Hour Construction Industry.

Architecture, Construction, Manufacturing, and STEM

ELECTRICAL

The Electrical program explores installing, maintaining, and repairing electrical wiring, equipment, and fixtures. This program may also include exploration into installing and repairing telecommunications cable, including fiber optics.

CAMPUS

Trimble Tech High School ★

Certifications: NCCER Core; NCCER Electrical Level I; IEC Electrical Apprenticeship Certification Level I; OSHA 10-Hour Construction Industry.

ENERGY

P-TECH Associate of Applied Science; Associate of Arts

Opportunity to earn 60+ hours of transferable college credit OR a two-year associate degree.

This program studies Renewable Energy Technologies and prepares students for a career in the design, installation, and maintenance of alternative energy systems.

CAMPUS

TCC South/FWISD Collegiate High School ★

INDUSTRY PARTNERS

 **Fort Worth Water**

 **ONCOR**

Certifications: Ground Technician, Level 1; Line Technician, Level 2; Renewable Energy Technology, Level 1; Business I, Level 1; Business II, Level 2; Microsoft Office Specialist: Expert.

Architecture, Construction, Manufacturing, and STEM

ENGINEERING

Engineering is a creative process of solving problems by identifying needs and then devising solutions. The solution may be a product, technique, structure, or process depending on the problem. Students will learn how to use a variety of computer systems, integrate and apply the design process, and produce and present solutions and prototypes.

CAMPUS

Trimble Tech High School ★

Certifications: Autodesk Certified User - Inventor; Autodesk Certified User - Fusion 360.

Architecture, Construction, Manufacturing, and STEM

LOGISTICS AND SUPPLY CHAIN MANAGEMENT

P-TECH Associate of Applied Science in Logistics and Supply Chain Management

Opportunity to earn 60+ hours of transferable college credit OR a two-year associate degree.

This pathway focuses on the planning process for getting products and materials to customers.

CAMPUS

DHJ Diamond Hill-Jarvis High School

INDUSTRY PARTNERS

Magna Mechanical

Habitat for Humanity

Certifications: Transportation Management Level 1; Warehouse Management Level 1; OSHA 30-Hour Construction Industry; MSSC Certified Logistics Technician.

ROBOTICS AND AUTOMATION

The Robotics and Automation program of study focuses on the assembly, operation, maintenance, and repair of electromechanical equipment or devices. Students will gain knowledge and experience in robotics within logistics, manufacturing, and various other areas.

CAMPUS

Trimble Tech High School

Certifications: FANUC Robot Operator I; SACA C-101 Industry 4.0 Associate - Basic Operations.

P-TECH Associate of Arts, Robotics and Automation

Opportunity to earn 60+ hours of transferable college credit OR a two-year associate degree.

CAMPUSES

I.M. Terrell Academy for STEM & VPA

Young Men's Leadership Academy

INDUSTRY PARTNER

Texas Instruments

College Level Certificates: Mechatronics Technician Level 1. Certifications: Autodesk Certified User - Inventor; Autodesk Certified User - Fusion 360.

WELDING

Welding focuses on the development and use of automatic and computer-controlled machines, tools, and robots that perform work on metal or plastic. Students will learn how to modify parts to make or repair machine tools or maintain individual machines, and how to use hand-welding or flame-cutting equipment.

CAMPUS

 Diamond Hill-Jarvis High School

 South Hills High School

 Southwest High School

 Trimble Tech High School ★

Certifications: AWS D1.1 - Structural Welding; AWS D9.1 - Sheet Metal.

COSMETOLOGY

COSMETOLOGY

Cosmetology is an extended course of study that enables students to become licensed cosmetologists through the Texas Department of Licensing and Regulation (TDLR). The Cosmetology program allows students to earn an industry certificate that launches them into a professional career immediately, yet also specifies rigorous core curricula to prepare them to be successful in a post-secondary learning environment.

CAMPUSES

ENTREPRENEURSHIP AND MULTIMEDIA

ANIMATION

Animation spans all aspects of motion graphics. Students will create two and three-dimension animations, apply cyber safety procedures, apply ethical decision making with respect to technology in animation, and apply processes from pre-production to post-production.

CAMPUS

Trimble Tech High School ★

Certifications: Adobe Certified Professional in Visual Design using Adobe After Effects.

Entrepreneurship and Multimedia

BROADCAST JOURNALISM & MEDIA TECHNOLOGY

Students in the Broadcast Journalism & Media Technology program will develop an understanding of the industry with a focus on pre-production, production, and post-production audio and video products. Students will learn how audio and visual media formats are designed, recorded, edited, and produced for various purposes, such as TV broadcasts, advertising, video production, and motion pictures.

CAMPUS

Southwest High School

Certifications: Adobe Certified Professional in Digital Video Using Adobe Premiere Pro.

Entrepreneurship and Multimedia

BUSINESS

P-TECH Associate of Arts, Business

Opportunity to earn 60+ hours of transferable college credit OR a two-year associate degree.

YMLA's business program cultivates an entrepreneurial, economic and leadership mindset in young men by preparing them to build prosperity through career readiness. Young entrepreneurs acquire the skills to build policies, manage daily operations, analyze management structures, and plan for the use of materials and human resources of public or private sector organizations.

CAMPUS

Young Men's Leadership Academy ★

INDUSTRY PARTNER

Texas Instruments

College Level Certificates: Business, Level 1; Business, Level 2.
Certifications: Entrepreneurship and Small Business (ESB).

Entrepreneurship and Multimedia

FASHION DESIGN

This program is the direct application of design and aesthetics in clothing and accessories. Students will use problem-solving methods to analyze how history and trends influence fashion trends, use ethical decision making with respect to laws, technology, textiles, and apparel, learn the commercial production process from design concept to finished product, and construct and alter products.

CAMPUS

Trimble Tech High School ★

Certifications: Adobe Certified Professional in Graphic Design and Illustration Using Adobe Illustrator.

Entrepreneurship and Multimedia

RETAIL AND ENTREPRENEURSHIP

This program teaches students to plan, direct, and coordinate the management and operations of public or private sector organizations. Students will learn to create policies, manage daily operations, plan for the use of materials and human resources, and build towards a foundation of mathematical modeling and organizational evaluation methods.

CAMPUS

Trimble Tech High School ★

Certifications: Entrepreneurship and Small Business (ESB) Certification.

Entrepreneurship and Multimedia

SOCIAL MEDIA MARKETING

Students in the Social Media Marketing program learn how to create a campaign to market or distribute goods and services using social media. Students learn the skills necessary to understand and apply data on customer demographics, preferences, needs, and buying habits, using digital analytics.

CAMPUS

Trimble Tech High School ★

Certifications: Stukent Social Media Marketing Certification; Entrepreneurship and Small Business (ESB) Certification.

VIDEO GAME DESIGN

The Video Game Design program explores one of the largest industries in the global marketplace with evolving career opportunities. Students will learn gaming philosophy, computerized gaming, evolution of gaming, artistic aspects of perspective, design, animation, technical concepts of collision theory, and programming logic. Students will simulate a video game design team while developing technical proficiency by building an original game.

CAMPUS

South Hills High School

Certifications: CodeHS Python Level 1 Certification.

FINE ARTS

BAND, CHOIR, ORCHESTRA, PIANO, THEATER, VISUAL ART

Students grow artistically in the study of instrumental music, vocal music, theater, and visual arts. Through in-depth and accelerated coursework, students prepare for college scholarship auditions and/or career opportunities in the arts.

Prerequisite: Contact campus regarding auditions.

CAMPUS

[I.M. Terrell Academy for STEM & VPA](#) ⭐

Fine Arts

DANCE

This inclusive dance program has a place for dancers at all skill levels. Our program focuses on Ballet, Modern, and Jazz techniques. Students are also provided opportunities to study Tap, Dance History, Dance Wellness, Production, and World Dance.

Prerequisite: Contact campus regarding auditions.
