Supporting FCUSD Students & Families

FCAS has worked in partnership with other FCUSD schools always. Currently, we have a quick transfer plan for alternative education high schoolers, are the official HiSET equivalency test site for all FCUSD students, and support dozens of FCUSD families and former K-12 students in classes. And, we have on-site ELD for parents at the start of each school day for Cordova Meadows and Williamson! Thanks for the partnership, Leslee and Amber, Elena and Carla!

Making Job Partners in Rancho Cordova

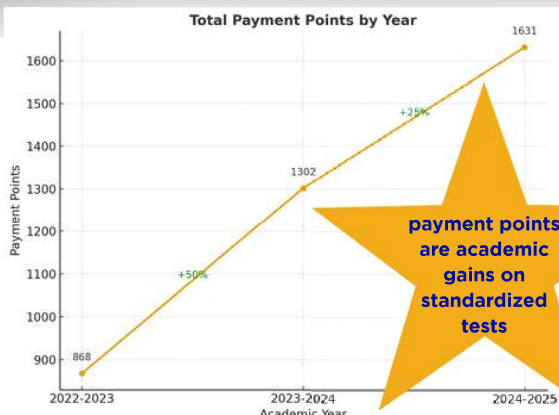

Folsom Cordova Partnership led Job Center is on our campus and routinely does orientation in our classrooms. Join us for our giant Job Fair next Wednesday where we broker access to good jobs for adults from our neighborhoods. We also partner with Los Rios, SETA and FCCP to offer wrap-around services and work force development.

Growing Support of English Language Learners

In addition to 15 concurrently running English Language classes at 6 distinct levels, we also offer citizenship classes and integrated workforce development courses where our students earn a credential for direct employment while having ELD support directly related to the course vocabulary and extra practice of skills.

Para Educator Training

Did you know FCAS is the #1 trainer for the paraeducators in our district? Every Monday we give the competency test and each semester we offer a free 60-hours of training course including, workplace skills development and targeted English Language acquisition related to the job to dozens of potential candidates. Watch for our program on applications, you will know they were well-trained candidates!
