

The **Somers Special Education Parent Teacher Association (SEPTA)** is a districtwide PTA whose primary goal is to provide resources and support to parents and caregivers whose children receive special education services through an IEP, 504 plan, related support services, such as resource room, counseling, speech, occupational and/or physical therapy, and to students who are advanced or twice exceptional learners and everyone in between.

SEPTA strives to enhance the lives of students with special needs and the rest of the school community through:

- Informal coffee and conversations to provide parents with ways to connect with others who have shared similar experiences.
- Guest speakers addressing topics of interest at monthly meetings.
- Gifts to each school building.
- Grants and professional development training for teachers and related service providers.
- Annual SEPTA Awards for Outstanding Service to Education.
- High School Scholarships.
- Social, Recreational and Educational Programs.

SEPTA invites parents, teachers, and community members with an interest in improving the educational, social-emotional, and recreational opportunities of children with special needs to join our membership.

Anyone is welcome to join SEPTA.
