The Randy Rebert Softball Scholarship is created in memory of Coach Randy and his passion for girls softball. Randy began his coaching career with his daughter in a local rec league and continued to coach rec league ball until 2020. He also coached high school softball at both the Junior Varsity and Varsity levels for 12 years. Randy coached travel ball for several organizations and he also created/managed his own travel ball team. His impact reached across the tri-county area of York – Adams – Lancaster Counties. Several girls Randy coached continued their softball career to the college level.

Randy believed softball helped make girls strong not just physically but mentally. He loved the challenge of the game and the discipline involved not just to play, but also to win. Randy also believed fun needed to be a part of the play. His favorite go-to line when he went to the pitcher's mound during a game was "Where are we going for dinner after the game?". It was his effort to lighten tense moments and get everyone to refocus.
