Dear Prospective Student,

Thank you for your interest in ESL classes at Folsom Cordova Adult School.

Due to the demand for our courses, there is now a Waitlist for ESL classes. Even those who were previously enrolled will be added to the Waitlist if they do not reschedule prior, or attend their pre-test appointment. You may register and join the Waitlist in person at 10850 Gadsten Way, Rancho Cordova, CA 95670 or online. We will be calling people in for testing as soon as there is an opening available. Students move to new classes or disenroll all the time so we will get you in as soon as we can.

To register online go to this website link <https://go.asapconnected.com/?org=1183#CourseGroupID=47232> and follow these instructions:

1. Select your home language from the dropdown menu in the top right corner.
2. Create an account. If you are a returning student, sign in with your username and password.
3. Choose a date and time for your placement exam and orientation or join the waitlist
4. Also look at our other job and technical training and citizenship courses you can join!

During your placement exam, you will be given a reading, writing and speaking exam to determine your current level of English. At the conclusion of your exam, you will meet with a school counselor to review your results and enroll in the appropriate ESL class.

We will contact you by phone and email when a spot opens. We would like to share some great resources (on the back!) to use while waiting for English classes.

Our partner, Los Rios College (the closest is Folsom Lake) also offers ESL classes. You can follow their steps to register here:

Please don't hesitate to contact us if you have any questions. We look forward to seeing you!

Best regards,

Administration Team
