Investment Election Information

I understand that if I fail to complete the *Investment Option Selection* section on page two, MSRS will allocate any contribution I defer to the default investment option selected by the Plan until such time that I request a future allocation change. I understand the Plan has established the Target Retirement Fund that uses my date of birth and the assumption that I will retire at age 65 to determine my appropriate Target Retirement Fund.

I certify that I have made all decisions pertaining to the investment options of my own free will. Representatives of MSRS, the Plan's Third Party Administrator, Voya or the MSRS Board made no efforts to influence my decisions.

I agree to hold harmless the State, Plan and MSRS Board from and against any and all liability for my selection of investment options in the Plan and performance of the investment options in the Plan. The provisions of this paragraph shall remain in full force and effect notwithstanding the closure of my account in the Plan.

I understand and acknowledge that account values, when based on the experience of the investment options, may not be guaranteed and may fluctuate. Upon redemption, shares may be worth more or less than their original cost. I understand that the funds may impose redemption fees or exchanges if assets are held less than the period stated in the fund's prospectus or other disclosure documents.

Beneficiary Information

I understand that unless I designate otherwise, my MNDP beneficiary will be my surviving spouse, or if none, my estate.

Beneficiary must be a natural person or qualifying trust.

NOTE: Copies of the Signature and Title pages of the trust document are required.

Beneficiaries will share equally if percentages are not provided.

I may designate more than one person or entity (attach an additional sheet of paper if there is not enough space for your designating primary or contingent beneficiaries).

Account Corrections

I understand that it is my obligation to review all confirmations and quarterly statements for discrepancies or errors. Corrections will be made only for errors which I communicate to MSRS within 60 calendar days from the date of the last quarter end statement. After this 60 days, account information shall be deemed accurate and acceptable to me. If I notify MSRS of an error after this 60 days, the correction will only be processed from the date of notification forward and not on a retroactive basis.

Payroll Election and Limits

I authorize my employer to deduct the contribution amount specified in this form from my gross wages and to commence such contribution election as soon as administratively practicable. I understand that such contribution election shall continue in effect until modified or terminated in accordance with the MNDP rules.

I understand that the maximum combined pre-tax and Roth after-tax deferral amount per calendar year, including the catch-up provision, shall be the limits established under section 457 of the Internal Revenue Code ("Code"). This maximum amount shall be reduced by any matching dollars contributed by my employer or bargaining unit or any contribution to another plan under section 457 of the Code. I understand the catch-up provision allowing for the additional deferral of compensation and the limits established under section 457 of the Code, beginning the last three (3) taxable years prior to reaching normal retirement age as defined by my pension 401(a) plan.

I authorize MSRS to invest my contributions into my account according to the investment options I have selected on this form.

Distribution and Taxation

I understand that I may not take distributions from the Plan prior to my separation from service, except for the occurrence of an unforeseeable emergency as determined by the Board, qualification under the DeMinimus account provision, for the purchase of service credits in a governmental defined benefit Plan or upon attainment of age 59½.

I am aware that all pre-tax payments will be subject to taxation as ordinary income in the year received and those payments are subject to applicable federal and state tax withholding requirements.

I am aware that a Roth after-tax distribution taken before the end of the required 5-year holding period and prior to age 59½ is considered a "non-qualified" distribution. The contribution portion of the distribution is tax-free since taxes were already paid; however, any earnings are taxed as ordinary income.

Important Information About Opening a New Account

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. What this means for you: When you open an account, we will ask for your name, address, taxpayer identification number, date of birth (if applicable). We may also ask to see your driver's license or other identifying documents.
