The Following policies for parental involvement in the Title I program will ensure that parents are involved in the planning, design, and implementation of the Title I program.

1. KMS will convene an annual meeting to which all parents of all children are invited. At this meeting, parents will be trained in effective reading practices, and parent suggestions for improving the program will be solicited.
2. KMS will provide parents with reports of their child's progress.
3. KMS will conduct parent-teacher conferences twice a year, in the fall and in the spring.
4. KMS will permit and encourage parental observations of classes scheduled through the building principal.
5. KMS will establish a resource area in the school that will be available to parents. The resources will include information on effective reading practices and helpful hints for parents.
6. KMS will maintain a Title I webpage that describes policies, details about the KMS Title I staff and program, as well as information on effective reading practices.
7. KMS will be informed that they may request additional parental support, input, or workshops through the Program Director.
