September 2025

Dear Families,

This letter is to inform you that Mary D Lang Kindergarten Center currently offers a Schoolwide Title I Program. Title I is a federal program based upon the income levels of families whose children attend this school. The program ensures that students are equipped to meet high standards of academic performance. Schoolwide Title I programs use funds to provide interventions, additional instructional time, and enrichment opportunities during the school day, and increased professional development for staff members. After reviewing the beginning-of-the-year assessment data, we will determine the children who could benefit from extra support or enrichment in reading skills and strategies. If your child will receive reading services, you will be notified.

Mary D Lang will be holding its annual **Family Reading Night** sponsored by Title I on Wednesday, October 15th Look for upcoming notices with further information about this event. We also encourage you to stay involved by attending our **Parent-Teacher Conferences,** which will be held on November 24th or 25th.

You are always welcome to communicate with your child's teacher and other school staff regarding any questions or concerns that you may have. The Title I webpage for parents includes information and resources that can be accessed on KCSD's website at www.kcsd.org.

If you would like more information, please contact me or Ms. Jennifer Daveler, our Title I Reading Specialist. Together, we will make this year an exceptionally rewarding and successful year for your child.

Sincerely,

Ms. April Reynolds, Principal
