TITLE I SCHOOLWIDE PROGRAM—PARENT POLICY
2025-2026**

The Following policies for parental involvement in the Title I program will ensure that parents are involved in the planning, design, and implementation of the Title I program.

1. MDL will convene an annual meeting to which all parents of all children are invited. At this meeting, parents will be trained in effective reading practices, and parent suggestions for improving the program will be solicited.
2. MDL will provide parents with reports of their child's progress.
3. MDL will conduct parent-teacher conferences twice a year, in the fall and in the spring.
4. MDL will permit and encourage parental observations of classes scheduled through the building principal.
5. MDL will establish a resource area in the school that will be available to parents. The resources will include information on effective reading practices and helpful hints for parents.
6. MDL will maintain a Title I webpage that describes policies, details about the Mary D Lang Title I staff and program, as well as information on effective reading practices.
7. MDL will be informed that they may request additional parental support, input, or workshops through the Program Director.
