4. **Budget Update-getting ahead of budget drivers and “what to expect” to communicate with the public:** The committee would like to discuss the preparation for communicating the budget to the public. E. Stanley explained that the Finance/Facilities Committee had made a motion to the Board regarding the proposed budget. They would recommend staying close to the default and if there are any additional items that are needed to have the administration explain in order for the CRC to communicate the importance to the public. The Board will be discussing this at their next meeting and there were no recommendations from the Budget Committee to discuss.
5. **Update on Facebook Live-Homecoming:** The committee discussed the events that will be going on during the week of Homecoming. The Junior Class is usually in charge of this event. H. Blood has reached out to L. Spencer to email the people involved to see if they might want to do a Facebook Live for Homecoming. H. Blood has not heard anything as of yet. She will contact Becky Russell and Shannon, the new AD for more information. E. Stanley commented that it would be great to ask the Student Government or the junior class to see if they would like to do a Facebook Live. H. Blood suggested somehow bringing all the elementary students together at half time at the football game during Homecoming week. The committee will contact the Swanzey, Troy, Fitzwilliam and Richmond rec centers, the schools for students who do not play sports and Beyond the Bell. We will wait for the next steps.
6. **Naming of a Room:** The Board had discussed the naming of the Emerson Library in honor of Winston Wright and the gymnasium as Cutler Gymnasium.
7. **Communication Issue:** L. Steadman had contacted the CRC regarding a communication issue to parents. E. Stanley and J. Cesaitis both felt this was a school issue. This issue has not been verified by the CRC.
