Student Pick Up and Drop Off Procedures

We ask that all parents who will be dropping off and/or picking up their child(ren) from FES use the Parent Pick Up/Drop Off lane on the north side of the building. We ask that parents stay in their car and your child will come out to you. If you are walking up to the building you will need to park in a different area to walk up to the building. This is to help with the flow of traffic. We also ask that parents not come into the building to drop off/pick up their child(ren) before or after school. This is to minimize the number of outside individuals entering our building for security reasons.

Volunteer Opportunities

Please take a look at the Sign-up Genius for some opportunities in the school to help out. We will update this as the year goes on with more opportunities.
