

STEP AWAY FROM THE SCREEN. STEP INTO ADVENTURE.

#ADVENTUREON!

Scouting isn't all camping, hiking, and tying knots. While enrolled in the program, **boys and girls (grades K-5)** will form lasting friendships and develop leadership skills. They will learn about citizenship and serve their community. They will focus on personal fitness and learn to respect nature. They will build strong character and grow into their best selves.

Pack 165 is a growing pack based in Wolfeboro. Our Scouts come from New Durham, Ossipee, Effingham, Middleton, Tuftonboro, and Wakefield.
