Campus Executive Summary

Mission: Through a supportive partnership, PSJA ISD's Early Start Pre-K School, with Child Care Centers, and the Hidalgo County Head Start Program (HCHSP), is committed to provide all students with high quality education that will help them develop their full potential, nurture their sense of individual worth, and build a strong foundation for Kindergarten and beyond.

Demographics Summary: The current enrollment of Early Start Pre-K School as of September 2024 is 521 students. The student population at Early Start Pre-K School consists of 97.3% Hispanic, 2.5% White, 1% Black. Our students represent low socio-economic status of approximately 96.3% with 0.2% migrant students. 100% of our students are considered At-Risk.

Approximately 4.9% of our student population receive special education services. The bilingual population is approximately 60.2% where most of the students' home language is Spanish. Most of our students live in our Tri-City Communities, Pharr, San Juan and Alamo. We currently have students who transfer into Early Start Pre-K School from various surrounding cities.

Comprehensive Needs Assessment Summary: In 2024 Early Start Pre-K School received an A rating, an overall 92 score, based on performance in three different areas, or domains as paired with the district ratings. In the Student Achievement domain, Early Start Pre-K School earned an 90, which shows how much students know and can do at the end of the school year. The School Progress domain earned a 92 for Early Start Pre-K School which shows how students perform over time and how that growth compares to similar schools. Early Start Pre-K School received an 92 in Closing the Gaps, the domain which shows how well different student groups within a school are performing.

Executive Summary Continued

Curriculum/ Instruction and Assessment: Teachers utilize the School Readiness Integration Model approach for language arts instruction with a focus on early literacy, math and all developmental domains. All students participate in a classroom environment that uses a Play-Based Learning Approach to impact the progress of children developing all the skills needed for school readiness. Early Start provides instruction for English learners using the One -Way Dual Language Model. All students participate in a high-quality Pre-K Program that develops language by including both Non-EL's and EL's in the collaboration classrooms. The mission for our campus is to support Early Learning to ensure students are Kinder Ready. Recognizing the importance that children at this age develop the necessary foundational skills that will support future academic success our teachers use data driven instruction to monitor progress.

Summary of Goals: In Goal Area 1 Student Achievement, the All Student group will increase performance by 5% On Track and Proficient Level in the Emergent Literacy Reading Domain by June 2026. In Goal Area 2 Closing the Gap, English Learners student group will increase by 5% or higher on the Rapid Letter Name Measure ON TRACK level of the LION Progress Assessment by June 2026.

Also, the Economically Disadvantaged Student group will increase by 7% or higher on the Emergent Literacy Domain in the TPEIR state accountability report. In Goal Area 3, Improve Safety, Public Support, Culture and Climate, the All Student group will increase by 3% or higher on the Mastered Level of the Health and Wellness (Social Emotional) Domain by June 2026. Also, we will increase student attendance for our Pre-K 3, Pre-K 4, H3, and H4 by 2%.. In Goal Area 4 Increase Staff Quality, Recruitment and Retention, the number of Effective Teachers based on the T-TESS Evaluation will increase from 55% to 62% by June of 2026. Also, the number of high-quality professional development trainings will increase by 2 or more by June of 2026.

- Assessments are aligned to the Texas Pre-Kindergarten Guidelines and the appropriate level of rigor and are administered throughout the year to determine student progress.
- The Scope and sequence, units of study and the assessments are aligned to the Texas Pre-K Guidelines in Pre-Kindergarten 3 and 4.
- Instructional Materials with key ideas, essential questions, and recommended materials including content rich texts, are used across the classrooms.

The instructional materials include

resources intentionally designed to meet the needs of students with disabilities and English learners among other student groups.

- Professional Development is provided throughout the year in response to classroom observations and formative assessments.
- TSR mentoring/coaching for teachers and collaborating partners allows for expert one-to-one training at the centers.
- In the Mathematics Domain, we have surpassed the district percentage by 11 points. All students (91% scoring at Proficient) at the Campus Level and (96% scoring On Track) at the District Level.
- In the Writing Domain, we have surpassed the district percentage by 11.5 points. All students (92.5% scoring at On Track) at the Campus Level and (92.5% scoring at On Track) at the District Level.

Challenges

As evidenced in the TPEIR TEA Report 2022-2023, the results show an achievement gap as follows:

- In the Emergent Literacy Reading Domain, PSJA Early Start scored below a 70% proficient level. The All students group scored a 66% at the campus level.
- In the Language and Communication Domain, PSJA Early Start scored below a 70% proficient level. The All students group scored a 43.3% at the campus level.
- Ensuring teacher/collaborating partners implement high-quality prekindergarten components with fidelity.
