## ADMINISTRATION

### 2025-26 School Board of Education

Diana Serna Carlos G. Villegas, Jr., *President*

Ricardo "Rick" Rodriguez, *Vice-President*

Ramona Barron, *Secretary*

Griselda Quintanilla, *Assistant Secretary*

Yolanda Castillo, *Member*

Dr. Cynthia A. Gutierrez, *Member*

Carlos G. Villegas, *Member*

### Superintendent's Cabinet

Dr. Alejandro Elias, Superintendent of Schools

Ranulfo Marquez, Assistant Superintendent for Academics

Rebecca Gonzales, Assistant Superintendent for Finance

Dr. Rebeca Garza, Assistant Superintendent for Human Resources

Ranulfo Marquez, Assistant Superintendent for Academics

Rafael Gonzalez, Assistant Superintendent for School Operations

Dr. Orlando Noyola, Assistant Superintendent for Student Services

Dr. Lauro Davalos, Assistant Superintendent for Technology

### Senior Staff

Dr. Susana Arredondo, Executive Officer for Elementary Schools

Dr. Virna M. Bazan, Executive Officer for Elementary Schools

Yolanda Gomez, Executive Officer for Student Services

Dr. Claudia Gonzalez, Executive Officer for Elementary Schools

Dr. Iris Guajardo, Executive Officer for Secondary Schools

Dr. Nora Rivas-Garza, Executive Officer for Secondary Schools

Dr. Linda Uribe-Treviño, Executive Officer for College Readiness

Alfredo Carrillo, Executive Officer for Human Resources

Mario Bracamontes, Sustainability Administrator

### Campus Administration

Dr. Rowdy Vela, Principal

Elizabeth Lucio, Dean of Instruction

Norma Rocha, Early College Director

Alma De la Rosa, Assistant Principal

Ofelia Pena, Assistant Principal

Jesus Reyna, Assistant Principal

Juanita Balderaz, Assistant Principal

## P.SJ.A I.S.D. Vision

Every PSJA student is prepared to participate, compete, and excel in a global society to foster multi-generational prosperity.

## P.SJ.A I.S.D. Mission

As educational leaders, the PSJA team is engaged and empowered to connect all students with innovative instruction, outstanding facilities, technology, skills, and social-emotional support while prioritizing health and safety for all – from early childhood through their chosen career.

As one PSJA family, we build on our legacy of academic excellence, renowned college and career readiness, biliteracy and extracurricular programs, and our multicultural heritage to ensure every student has the experiences and resources necessary to achieve the highest levels of success.

*Adopted June 22, 2020 by the PSJA School Board of Trustees*

## P.SJ.A I.S.D. Strategic Direction

PHARR-SAN JUAN-ALAMO INDEPENDENT SCHOOL DISTRICT

# STRATEGIC PLANNING BLUEPRINT

*Opportunities for ALL*

Source: 2023-2028 PSJA ISD Strategic Leadership Plan

### STUDENT OUTCOME GOALS

- Goal 1** The percentage of all students that score meets grade level or above on STAAR combined Reading and Mathematics will increase from 45.5% (47% Reading, 44% Math) in January 2023 to 58% by June 2028.
- Goal 2** HB3 Early Childhood Literacy: The percent of 3rd grade students that score meets grade level or above on STAAR Reading will increase from 43% in January 2023 to 55% by June 2028.
- Goal 3** HB3 Early Childhood Mathematics: The percent of 3rd grade students that score meets grade level or above on STAAR Mathematics will increase from 43% in January 2023 to 58% by June 2028.
- Goal 4** HB3 College, Career, and Military Readiness: The percent of graduates that meet or exceed the criterion for College, Career, and Military Readiness Performance Status will increase from 91.2% in January 2023 to 100% by June 2028.
- Goal 5** The percentage of all students reporting positive learning experiences in the climate survey will increase from 81% in March 2024 to 90% by June 2028.
- Goal 6** The percentage of students identified as EB performing at Advanced High on TELPAS will increase from 14% in January 2023 to 18% by June 2028.

## Board of Education Goals

### Goal Area 1: Effective Teaching and Learning

- Annual Goal 1: The percentage of all students that score meets grade level or above on STAAR combined Reading and Mathematics will increase from 48% (50% Reading, 45% Math) in June 2024 to 50% by June 2025.
  - Objective 1: The percentage of students performing at meets grade level or above on STAAR reading/math 3-8/EOC will increase by having access to a standards-aligned guaranteed and viable curriculum.
  - Objective 2: The percentage of students performing at meets grade level or above on STAAR reading/math 3-8/EOC will increase through data-driven instruction.
  - Objective 3: The percentage of students performing at meets grade level or above on STAAR Reading/Math 3-8/EOC will increase through job-embedded instructional practices.
- Annual Goal 2: The percentage of students who perform at MEETS grade level or above on STAAR Mathematics will increase by two percentage points by June 2025
  - Objective 1: The percentage of students performing at meets grade level or above on STAAR Mathematics 3-8/EOC will increase by having access to a standards-aligned guaranteed and viable curriculum.
  - Objective 2: The percentage of students performing at meets grade level or above on STAAR Mathematics 3-8/EOC will increase through data-driven instruction.
  - Objective 3: The percentage of students performing at meets grade level or above on STAAR Mathematics 3-8/EOC will increase through job-embedded instructional practices.
- Annual Goal 3: The percentage of graduates that meet or exceed the criterion for College, Career, and Military Readiness Performance Status will increase from 87% in June 2024 to 97% by June 2025.
  - Objective 1: The percentage of graduates who earn an industry certification will increase by June 2025.
  - Objective 2: The percentage of graduates who earn 3 hours of dual credit (RLA/Mathematics) or 9 hours in any subject will increase by June 2025.

### Goal Area 2: Student Supports

- Annual Goal 1: The ALL-student group will meet 70% of the ESSA Long-Term and Interim Goals for reading and mathematics in Academic Growth by June 2025.
  - Objective 1: The All-student group will meet the expected criteria Accelerated Learning. Students that did not meet standard at the Approaches or above level on the STAAR assessment for RLA and/or mathematics will receive the 15 or 30 hours of accelerated instruction in reading and mathematics by June 2025.
  - Objective 2: 100% of campus administrators will provide on-going instructional feedback to all teachers.
  - Objective 3: 100% of special education teachers will ensure that students' IEP plans outline their specific accommodations, and modifications for use during daily instruction and on state assessments.

- Annual Goal 2: By June 2025, 100% of the district dual language teachers will effectively implement dual language education in grades PK to 12th
  - Objective 1: All administrators will support and guide dual-language teachers in the implementation of dual-language education.
- Annual Goal 3: By June 2025, 33 out of the 39 campuses (85%) will meet their English Language Proficiency Target to show progress at the TELPAS Composite level.
  - Objective 1: All staff serving/mentoring Emergent Bilinguals will understand how to guide EBs to develop a plan to meet their TELPAS goals to impact progress at the composite level.
  - Objective 2: All staff serving Emergent Bilinguals will receive support/coaching/guidance on how to plan for and implement speaking and writing practices in daily instruction.

### Goal Area 3: Leadership Growth

- Annual Goal 1: 100% of district teachers will deliver high quality, engaging, differentiated lessons maximizing at least 95% of the instructional time in the 2024-2025 School Year.
  - Objective 1: The district leadership committee will update the Instructional Focus Walkthrough form to meet district needs by September 2024.
  - Objective 2: Campus administrators will conduct weekly reviews of walk-through data to support teacher effectiveness.
  - Objective 3: Campus administrators will provide feedback and/or professional learning support within 1-3 days or as soon as possible to staff based on identified need.
- Annual Goal 2: 100% of district teachers will deliver high quality, engaging, differentiated lessons maximizing at least 95% of the instructional time in the 2024-2025 School Year.
  - Objective 1: The district leadership committee will update the Instructional Focus Walkthrough form to meet district needs by September 2024.

### Goal Area 4: Family and Community Empowerment

- Annual Goal 1: By June 2025, district student attendance will increase from 95.089% to 95.50%.
  - Objective 1: By June 2025, 90% of parents will be informed about attendance state laws, district guidelines, and district goals.
- Annual Goal 2: By June 2025, the district's positive culture and climate will increase from 86% to 91% based on students' perception of staff-student relationships.
  - Objective 1: By June 2025, student social and emotional learning knowledge and skills will increase by 5%.
- Annual Goal 3: By June 2025, the district's positive culture and climate will increase from 61% to 71% based on teachers' perception of professional learning of Social Emotional Learning.
  - Objective 1: By June 2025, 100% of teachers and staff will participate in Social Emotional Learning professional development and implement strategies to increase staff-student relationships.
- Annual Goal 4: By June 2025, the students' perception for their physical and psychological school safety will improve from 70% to 80%
  - Objective 1: By June 2025, 100% of the district will implement safety and violence prevention protocols that will increase school safety.
- Annual Goal 5: By June 2025, family engagement and their interaction with their child's school will

increase from 71% to 81%.

- Objective 1: By June 2025, 75% of parents will participate in informational and training sessions.

## Executive Summary

**School Name:** PSJA Early College High School

**Principal:** Dr. Rowdy Vela

### **School Profile:**

PSJA Early College High School (PSJA ECHS), located in San Juan, Texas, serves grades 9–12 as part of Pharr–San Juan–Alamo ISD. The school emphasizes early-college opportunities, providing students access to rigorous coursework, dual-credit classes, and pathways that support college and career readiness. With an enrollment of 2,360 students in 2023–24, the student body is predominantly Hispanic (99.1%), with 93.6% identified as economically disadvantaged, 31.0% as emergent bilingual learners, and 8.4% receiving special education services. The campus serves a nearly balanced gender population, with 48.4% female and 51.6% male students, while 57.1% are identified as at-risk and 31.3% were classified as mobile during 2022–23, with a student attrition rate of 13.9%.

PSJA ECHS offers a wide range of programs to meet student needs. In 2023–24, 35.3% of students were enrolled in Bilingual/ESL education, 86.3% participated in Career and Technical Education (CTE), and 8.9% were served through the Gifted and Talented program. The campus achieved a 95.2% attendance rate in 2022–23, with chronic absenteeism reduced to 13.9% from 41.8% the prior year. Dropout prevention efforts are strong, with an annual dropout rate of only 0.1%. The Class of 2023 reported a 97.9% four-year graduation rate, and when including graduates, TXCHSE recipients, and continuers, the rate increased to 99.3%. The extended five-year graduation rate for the Class of 2022 reached 99.0%.

The school demonstrates strong results in College, Career, and Military Readiness (CCMR). In 2022–23, 87.6% of graduates were deemed college, career, or military ready. Of these, 57.6% were identified as college-ready, while 22.2% of graduates met the TSI benchmark in both ELA and Math. Participation in Advanced Placement and International Baccalaureate exams among 11th and 12th graders was 34.4%, with 12.3% meeting criterion standards. Additionally, 72.2% of students successfully completed advanced or dual-credit courses, reflecting the school's commitment to early-college preparation.

PSJA ECHS earned an “A” in the 2024–25 Texas A–F accountability ratings. Overall, PSJA Early College High School continues to excel in preparing students for postsecondary success while serving a high-need student population with strong outcomes in graduation, readiness, and equity.

### **Comprehensive Needs Assessment Summary:**

PSJA Early College High School (ECHS) is committed to preparing students for postsecondary success through rigorous coursework, targeted support, and a focus on closing achievement gaps. An analysis of the school's performance across TEA accountability domains reveals both strengths and areas for growth that will guide future strategies.

In Domain I: Student Achievement, PSJA ECHS earned a scaled score of 87 out of 100. This domain measures overall student performance on state assessments, end-of-course exams, and college readiness indicators. While students demonstrate solid achievement in advanced coursework and some core subjects, proficiency in English I and II remains a concern, with only 53% of students meeting standard. This indicates a need for enhanced literacy instruction and targeted interventions to support struggling learners.

In Domain II: Student Progress (Academic Growth), the campus scored 91 out of 100 in Part A, indicating that students are making substantial academic growth over time. The high growth rate demonstrates that instructional programs and interventions are effectively supporting student progress, even if overall proficiency levels are not yet at target. The key focus moving forward is to ensure that this growth translates into higher levels of mastery across all core subjects.

Domain III: Closing the Gaps highlights persistent achievement gaps among student subgroups, with performance in English I and II at 53%, below the long-term target of 72%. While some student groups show steady improvement,

disparities remain that require targeted interventions to ensure equity in access to rigorous instruction and academic support. Addressing these gaps will be essential to help all student populations meet grade-level expectations.

Additionally, College, Career, and Military Readiness (CCMR) data indicate low participation and passing rates on the TSIA assessment, limiting overall campus readiness outcomes. Although students enrolled in college-level courses demonstrate strong preparedness, increasing participation in readiness assessments, providing structured test preparation, and closely monitoring student progress will be critical in improving CCMR performance.

Overall, PSJA ECHS's Comprehensive Needs Assessment identifies the need to improve academic proficiency, particularly in English and math, address persistent achievement gaps among subgroups, and increase college readiness opportunities for students. Strengthening instructional practices, maintaining high growth rates, and implementing a robust data-driven monitoring system will be crucial in achieving these goals. In addition, engaging families and stakeholders will help create a supportive environment for student success, ensuring that all students are on track to meet postsecondary and career-ready standards.

### **Curriculum/Instruction and Assessment:**

At PSJA Early College High School, teachers utilize a comprehensive curriculum aligned with Texas Essential Knowledge and Skills (TEKS) standards to ensure rigorous academic instruction across all content areas. The campus emphasizes a structured, objective-driven instructional framework that integrates disciplinary literacy, ensuring students develop the reading, writing, speaking, and thinking skills unique to each subject. Teachers implement differentiated instruction tailored to meet the diverse needs of students, providing scaffolds, enrichment, and targeted interventions to support both struggling learners and those ready for advanced coursework. Instruction is supplemented with collaborative learning opportunities, project-based assignments, and real-world applications, particularly in dual-credit and early college courses, to prepare students for postsecondary success.

Assessment practices at PSJA ECHS are data-driven and multifaceted, incorporating formative and summative evaluations, benchmark assessments, end-of-course exams, and college readiness tests such as the TSIA. Teachers consistently analyze assessment data to monitor student progress, inform instructional decisions, and provide timely interventions. Regular progress monitoring and collaborative data meetings allow educators to adjust lessons, reteach concepts when necessary, and implement strategies that promote academic growth. This integration of curriculum, instruction, and assessment ensures a coherent and effective educational program designed to improve student achievement, close learning gaps, and prepare all students for college, career, and military readiness.

### **Summary of Measurable Objectives:**

PSJA Early College High School has established measurable SMART goals to address identified areas of need and ensure continuous improvement across all accountability domains. First, to improve academic proficiency, the campus aims to increase the percentage of students meeting the standard in English I and II from 53% to 72% by the end of the 2025–2026 school year through targeted literacy interventions, differentiated instruction, and consistent progress monitoring. Second, to close achievement gaps among student subgroups, PSJA ECHS will implement data-driven support strategies designed to raise the performance of historically underperforming groups by at least 10 percentage points over the next academic year. Third, to enhance College, Career, and Military Readiness (CCMR), the school will increase TSIA participation and passing rates by 15% through structured test preparation programs, individualized student monitoring, and engagement initiatives that ensure all eligible students complete the assessment successfully. Additionally, to maintain and build on the high academic growth already demonstrated, the campus will implement an instructional framework emphasizing disciplinary literacy and rigorous lesson planning, aiming for at least 90% of students to show one year or more of growth on state assessments by the end of the school year. These SMART goals are specific, measurable, achievable, relevant, and time-bound, providing clear benchmarks for monitoring progress and guiding strategic planning to improve student outcomes.

## CIP Part 1: Background, Data Analysis and Needs Assessment

### Purpose

To ensure that all students graduate prepared to succeed in institutions of higher education and/or the career of their choice.

### Beliefs

We believe that the purpose of education is to help individuals reach their fullest potential.

We believe that effective schools consist of a caring staff, supportive parents, and an involved community who provide a secure learning environment and set measurable goals based on students' individual needs.

We believe that a successful student is able to develop self-discipline, apply new skills, and strive to achieve their set goals.

We believe that learning is an essential lifelong process which is self-rewarding.

We believe that parents should actively encourage and participate in their children's education by acting as positive role models.

We believe that a quality instructional program includes a well-rounded curriculum, caring staff, supportive administration, involved community members, and parents who focus on the student's educational needs.

We believe that community is a vital and integral partner to the importance of education

The vision and mission are the driving force behind every decision for Pharr-San Juan Alamo Early College High School. The vision and mission can be seen posted in the main lobby, library, school website, and in various school advertisements. Partnering with the Educate Texas i3 grant since 2014, Pharr-San Juan-Alamo Early College High school has set the goal of graduating 90% of The Class of 2017 with 3 or more hours of college credit and TSI ready in at least one subject area. Currently, the school is making great strides with being at 84% in the Fall semester of 2016. Sustainability measures have been put into place for the consequent grade levels so that the 90% achievement is also met for the 9th, 10th, and 11th graders once they reach their Senior year. The goal of the faculty is to ensure that all students graduate prepared to succeed in institutions of higher education and/or the career of their choice.

### Vision

At PSJA Early College High School, we foster a diverse environment where every student is empowered to pursue their educational aspirations and inspired to contribute to our community and world-wide society through our continued tradition of excellence.

### Mission

As educational stewards, PSJA Early College High School is constantly adapting to meet our students' needs and ensuring they have the necessary resources, as well as relevant and high-quality instruction to reach their educational goals while instilling pride and ethics.

## School Based Decision-Making Committee

# Needs Assessment, Data Analysis & Determination Of Problems and Root Causes

## Demographics

Total Population:

- Ethnicity
  - African American 0.1%
  - Hispanic 99.1%
  - White 0.6%
  - Asian 0.1%
- Economically Disadvantaged 93.7%
- Special Education 9.6%
- Emergent Bilingual 29.8%

## Attendance

PSJA Early College High School maintains a strong focus on student attendance as a key factor in academic success. For the 2024–2025 school year, the campus achieved an average daily attendance rate of approximately 95.4%, reflecting consistent student engagement and participation. Chronic absenteeism remains an area of focus, with targeted interventions implemented for students at risk of missing multiple days, including parent outreach, mentoring programs, and attendance monitoring systems. Teachers and staff work collaboratively to identify barriers to consistent attendance, such as transportation challenges or health-related issues, and provide supportive resources to encourage daily school participation. Maintaining high attendance rates is critical to ensuring students have full access to instructional time, meet academic growth goals, and are prepared for postsecondary success.

## Student Academic Achievement Summary

2025 Accountability Rating: A Overall Scaled score of 91

TEA Status: Met Standard

Participation Rate: 100%

Domain I - Student Achievement - Scaled score 87

Domain II, Part A - Academic Growth - Scaled score 81

Domain II, Part B - Relative Performance - Scaled score 91

Domain III - Closing the Gaps - Scaled score 92

Our Overall 2024-2025 STAAR test results are shown below:

2025 STAAR ALL STUDENTS	ALL STUDENTS APPROACHES	ALL STUDENTS MEETS	ALL STUDENTS MASTERS
Algebra I	84%	55%	35%
Biology	91%	54%	11%
English I & II	73%	54%	11%
US History	94%	58%	22%
Total	82%	55%	17%

After analyzing and comparing our data from the previous years, we found the following:

**Student Academic Achievement Strengths**

- **U.S. History Performance:** The school has demonstrated consistent proficiency in U.S. History, with students performing at or above state and district averages. This reflects effective instructional strategies and student engagement in this subject area.
- **Graduation Rate:** PSJA Early College High School maintains a high four-year graduation rate, consistently above 96% in recent years, indicating strong student retention and successful completion of high school requirements.

**Student Academic Achievement Needs**

- **English I & II Reading:** Performance in English I and II reading assessments has been below state averages, with passing rates lagging behind district and state benchmarks. This indicates a need for targeted interventions to enhance literacy skills in these courses.
- **Algebra I & Biology:** Students have shown lower proficiency in Algebra I and Biology compared to state and district averages. Addressing these gaps through focused instructional support and remediation is essential for improving student outcomes in these subjects.
- **Special Education and Low Socioeconomic Status Students:** Performance among special education and low socioeconomic status students has been below state and district averages, highlighting the need for tailored support and resources to ensure equitable educational opportunities for these groups.

## **School Process & Programs**

### **Schoolwide Program Plan**

PSJA Early College High has created a schoolwide program that is comprehensive in nature to ensure that we are serving all students, improving all structures that support student learning, and combining all resources, as allowed, to achieve our goals and maximize the impact of Title I.

The six steps include:

1. Establishing and training the site-based planning team
2. Clarifying the vision/mission for the campus
3. Creating the school's academic profile
4. Gather data and identify sources
5. Analyzing the data
6. Reporting data findings to the entire site-based planning team and gather constructive feedback

Throughout the schoolwide planning process, administrators and teachers identify student strengths, needs, and the interventions that are currently in place. They assess the effectiveness of those interventions and make recommendations for revisions as needed. The site-based planning process is used as a campus organizational strategy to guide program development, implementation, and evaluation. This systemic planning provides structure and a common language for school improvement. It also provides logical ways for school staff to think about current progress and the adjustments or changes that need to be made on campus to continually improve the effectiveness of schoolwide programs.

### **Schoolwide Components**

#### **1: Comprehensive Needs Assessment**

PSJA Early College High has conducted a comprehensive needs assessment that serves as the centerpiece of a planning process and the driving force impacting the campus improvement plan. While data is gathered and analyzed throughout the year, a comprehensive effort is always made at the end of each school year. This year, administrators collected data in collaboration with other educators. Strengths and problems were identified. Root causes were explored and the entire CNA was reported to the site-based planning team. The team was given time to reflect on the data, the strengths, problem statements, and questions were clarified. When the team felt that all appropriate data had been discussed and reviewed, this step of an ever-developing CNA process was finalized and written in the CIP.

#### **2: Schoolwide Reform Strategies**

Our schoolwide reform strategies provide opportunities for all students to achieve Meets Grade Level Performance or Masters Grade Level Performance on the appropriate state assessments. These strategies are based on effective means of improving achievement for all students. This plan reflects the following strategies:

1. Review program documentation to ensure that all instructional programs/instruction strategies are proven, evidence-based interventions.
2. Identify how each strategy strengthens the core academic program.
3. Identify evidence-based interventions that increase the amount and quality of learning time.
4. Review the master schedule to identify opportunities for extended learning time.
5. Explore optional strategies used to support core areas.
6. Identify programs that address enriched and accelerated curriculum issues.
7. Disaggregate data by each student group, to determine the program's effectiveness which meets the needs of all students.

### **3: Instruction by highly qualified professional teachers**

Instruction by highly effective, state-certified professional teachers is an important component of the schoolwide plan. To ensure that instruction is provided by highly effective teachers, trainings are provided which include:

1. Provide time off for targeted, high-quality professional development.
2. Provide a mentor system for teachers new to the campus and to the district.
3. PSJA Early College High teachers have the opportunity to observe master teachers.
4. Provide professional development for existing programs prior to the new school year for new and existing staff.
5. Monitor effectiveness of teachers by frequent walk-throughs and constructive feedback.
6. Provide training and opportunities in collaboration with formative and summative student achievement data.
7. Implement strategies to provide a network of communication amongst teachers and administrators.
8. Ongoing professional development for teachers, principals, paraprofessionals, support staff, parents, and other staff.

PSJA Early College High utilizes effective and ongoing professional development to ensure teachers and others are equipped to expedite the challenge of helping students meet the state's academic achievement standards. Procedures include:

1. Select appropriate professional development that meets the needs of all principals, teachers, paraprofessionals, parents, and others as needed.
2. Provide opportunities for all staff to obtain training on campus programs and initiatives that are already in place.
3. Provide professional development opportunities for all personnel to meet the identified needs of all student populations in order to increase student performance.
4. Allow teachers to attend professional development throughout the year on content areas specific to the teacher's assignment.
5. Teachers plan collaboratively according to the assigned subject area. Planning allows teachers the opportunity to desegregate data to compare and contrast objectives covered and assessed.

### **5: Recruitment of highly qualified educators**

PSJA Early College High follows district procedures for recruiting and attracting effective, state certified teachers. Please refer to the district recruiting procedures that are located at the PSJA ISD Human Resources office.

### **6: Strategies to increase parental involvement.**

PSJA Early College High understands the authenticity of parental involvement; therefore parental engagement is a key factor to student success.

- The Parent Educator leads a campus parent advisory team.
- Each year, it is ensured that the parent advisory team mirrors the composition of the student population so that opinions/ideas are validated.

Additionally, as activities are developed by the campus, plans are reviewed by the advisory team to ensure quality. The parent team is in charge of assessing activities and projects which impact family life. As a result, better decisions are made to increase and strengthen parental involvement.

**7: Measures to include teachers in the decision making regarding academic assessments in order to improve the achievement of individual students and the overall instructional program**

In addition to STAAR results, teachers collect and analyze current data on assessments that describe student achievement. The data is retrieved from formal/informal assessments, such as observations, campus-based assessments, or end-of-unit exams. The campus provides teachers with professional development to increase their understanding of the appropriate uses of multiple assessment measures. Assessment data is then used to improve instruction. Each subject is represented in the formative review process for the improvement plan. This allows teachers to consistently evaluate the effectiveness of the academic programs by analyzing student progress.

**8: Strategies which ensure effective timely assistance for students who experience difficulty mastering the proficient or advanced levels of academic achievement standards**

- Each subject identifies individual students who need additional learning time in order to meet standards.
- The teachers provide those students with timely, additional assistance that targets and is tailored to their needs.
- The assistance and support looks different in each subject and is available to all students in need.

**9: Coordination and integration of federal, state and local services and programs**

PSJA Early College High is a schoolwide Title I district, with the flexibility to integrate services and programs which aims toward upgrading the entire educational program. By doing so, it affords PSJA Early College High School all students the opportunity to reach Meets Standard and Masters Standard levels of achievement. In addition, through the improvement planning and budgeting process, efforts to combine most federal, state, and local funds in order to maximize the impact of the resources available to carry out the schoolwide Title I program.

# CIP Part 2: Goals, Objectives, Strategies and Action Plans - *Planning, Implementing and Monitoring*

## Goal 1

### Annual Goal 1 - Measurable Objective 1

<b>Goal Area 1:</b>	Effective teaching and learning						
<b>Annual Goal 1:</b>	By the end of the 2024–2025 school year, PSJA ECHS will increase the percentage of students at the Meets Grade Level standard in Algebra I from 54% to at least 65%, with a focus on closing achievement gaps for EB, ECD, and SPED student groups,						
<b>Measurable Objective 1:</b>	Moving closer toward the long-term goal of 69%.						
Strategy 1	Persons Responsible/ Title	Resources	Timeline	Evidence of Implementation	Evidence of Impact	Formative/ Summative Assessment	Title-I School- wide Component
1) Conduct bi-weekly common assessments, disaggregate data by sub-population, and provide reteach/enrichment sessions;	Campus Principal Dean of Instruction CLL Administrative Team Department Chairs Librarian Teachers	Desmos Supplemental aids IEP	November 2024 Benchmark (Re-testers) November 2024 Benchmark (First-Time Testers) December 2024 STAAR February 2025 (First Time Testers) Benchmark 2	Walkthroughs Strength-based Feedback Student Portfolios Interactive Notebooks Student Projects (Online) Student Work Google Classroom Student Progress Sheets Monitor IEP	Increase academic performance of all students on all Benchmarks, STAAR/EOC tested subjects, and Pre-AP/AP Assessments. -AP Content & Skills Performance Reports	Checks for Understanding Weekly Assessments Curriculum Assessments Teacher Observation Progress Monitoring Student STAAR Goal Sheets Benchmarks AP Classroom	Comprehensive Needs Assessment Reform Strategies Instruction by Highly Qualified Teachers Teacher Decision Making Regarding Assessments Effective & Timely Assistance to students experiencing difficulty Provide professional development Integration of Fed., State, & Local Services, Programs and Funds
Action Steps							
<p><b>Assess Individual Needs:</b> Identify each student’s specific learning needs.</p> <p><b>Choose Appropriate Supports:</b> Select supplemental aids that effectively address those needs.</p> <p><b>Implement Supports:</b> Integrate the chosen supplemental aids into daily instruction.</p> <p><b>Encourage Independence:</b> Promote student self-advocacy and foster independent learning skills.</p>

**Action Steps**

**Collaborative Learning:** During CLLs, teachers will collaborate to share best practices and strategies for cross-curricular alignment.

**AP Training:** AP teachers who have not yet attended the APSI will participate in and complete the AP Summer Institute.

**Department Communication:** Hold regular department meetings to foster effective communication and coordination among teachers.

## Annual Goal 4 - Measurable Objective 2

<b>Goal Area 2:</b>	Leadership growth						
<b>Annual Goal1:</b>	Our goal is to promote professional growth through expanded development opportunities and foster inclusion through mentorship and collaborative decision-making. We are committed to ongoing, transparent communication across all levels of campus leadership, ensuring initiatives and goals are consistently shared and reinforced throughout the year.						
<b>Measurable Objective 2:</b>	Enhance communication and collaboration among teachers, department chairs, and administrators.						
<b>Strategy 1</b>	<b>Persons Responsible / Title</b>	<b>Resources</b>	<b>Timeline</b>	<b>Evidence of Implementation</b>	<b>Evidence of Impact</b>	<b>Formative/ Summative Assessment</b>	<b>Title-I School- wide Component</b>

## Appendix

### Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

- **Improvement Planning Data**
  - District goals
  - Campus Performance Objectives Summative Review from previous year
  - Current and/or prior year(s) campus and/or district improvement plans
  - Campus and/or district planning and decision making committee(s) meeting data
  - State and federal planning requirements
- **Accountability Data**
  - Texas Academic Performance Report (TAPR) data
  - Student Achievement Domain
  - Student Progress Domain
  - Closing the Gaps Domain
  - Accountability Distinction Designations
  - Federal Report Card Data
  - RDA (formally PBMAS) data
- **Student Data: Assessments**
  - State and federally required assessment information (e.g. curriculum, eligibility, format, standards, accommodations, TEA information)
  - State of Texas Assessments of Academic Readiness (STAAR) current and longitudinal results, including all versions
  - STAAR Released Test Questions
  - Texas English Language Proficiency Assessment System (TELPAS) results
  - Student Success Initiative (SSI) data for Grades 5 and 8
  - SSI: Istation Indicators of Progress (ISIP) accelerated reading assessment data for Grades 3-5 (TEA approved statewide license)
  - SSI: Imagine Math assessment data for Grades 3-8
  - Local benchmark or common assessments data
  - Running Records results
  - Observation Survey results
  - Istation Indicators of Progress (ISIP) reading assessment data for Grades PK-2
  - Texas approved Prekindergarten and Kindergarten assessment data
- **Student Data: Student Groups**
  - Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress between groups
  - Special programs data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group
  - Economically disadvantaged / Non-economically disadvantaged performance and participation data
  - Special education/non-special education population including discipline, progress and participation data
  - At-risk/non-at-risk population including performance, progress, discipline, attendance, and mobility data
  - EL/non-EL or LEP data, including academic achievement, progress, support and accommodation needs, race, ethnicity, and gender data
  - STEM/STEAM data

- Dyslexia Data
- **Student Data: Behavior and Other Indicators**
  - Attendance data
  - Mobility rate, including longitudinal data
  - Discipline records
  - Tobacco, alcohol, and other drug-use data
- **Employee Data**
  - Campus learning communities (CLC) data
  - Staff surveys and/or other feedback
  - Teacher/Student Ratio
  - State certified and high quality staff data
  - Campus leadership data
  - Campus department and/or faculty meeting discussions and data
  - Professional development needs assessment data
  - Evaluation(s) of professional development implementation and impact
  - McREL data
- **Parent/Community Data**
  - Parent surveys and/or other feedback
  - Parent engagement rate
  - Community surveys and/or other feedback
- **Support Systems and Other Data**
  - Organizational structure data
  - Processes and procedures for teaching and learning, including program implementation
  - Communications data
  - Capacity and resources data
  - Budgets/entitlements and expenditures data
  - Study of best practices
