ACADEMIC PROBATION- In some cases at Mira Loma, students may be granted a **one-time probation period per school year regarding ineligibility due to grades** in order to be able to compete with the team. If the student qualifies, they **MUST** attend an intervention/study hall for at least three hours a week and complete weekly grade checks.

When an athlete becomes eligible for probation, he/she must automatically apply for and take a probation period. Athletes do not have the choice as to when they will take their probation. Any athlete who quits his/her sport during a probation period will be deemed to have used their probation period for that school year and will be ineligible to apply for probation for the remainder of the school year.

All ineligible athletes who do not qualify for probation will not be allowed to compete for the remainder of the season.

The athletic administrator will ensure that transfer students adhere to the eligibility guidelines set by CIF.
