

We are excited to launch the 2025-2026 Annual Fund Campaign,

# *Forward Together*

During the month of October each year, St. Philip's raises the essential funds needed to fill the gap between tuition and the actual cost of a St. Philip's education.

Your gift, no matter its size, is vital to achieving our goal of 100% participation.

With your support, the annual fund bolsters our children's extraordinary educational experience:

- Investing in our technology programming
- Strengthening campus security
- Supporting the needs of every student with our School Counselor, Reading Specialist and Math Learning Support
- Enabling our Violin program
- Continuing Latin instruction for our 4<sup>th</sup> and 5<sup>th</sup> graders
- Inspiring our faculty and staff with professional development programs
- Thanks to last year's Annual Fund success, we joyously rewarded our hardworking faculty & staff with a bonus

Your gift is a testament to your belief in St. Philip's vision:  
*Faithfully Committed to Excellence.*

Please make your pledge as soon as you are able.

With gratitude,  
*The Annual Fund Committee*
