

# LEARN GROW THRIVE

## A Project Cornerstone Workshop with Morgan Hill Unified School District

### How to Talk to Our Kids About Race, Racism, and Equity Tuesday, September 30, 2025

When do you begin talking about race and racism with your kid? In our workshop, "How to Talk to Our Kids About Race, Racism, and Equity," you will learn:

Presented in English  
and Spanish

- Tools to build a common language for discussing these topics
- Strategies to increase understanding, awareness and empathy.
- Foster healthy, meaningful discussions with our kids to help them navigate these important issues.

Sign up today to empower your kid with the knowledge and skills for a more equitable future!

### Digital Citizenship Thursday, November 6, 2025

Presented in English only

Worried about your kid's online safety and digital habits? Our workshop, "Digital Citizenship," is here to guide you!

In this workshop, you'll learn:

- How to help your kid understand & build an intentional digital footprint & healthy media balance
- Strategies for ensuring online privacy and foster effective online communication
- Skills for digital discernment, navigating misinformation, and identifying cyberbullying.

Sign up today to empower youth with the skills to thrive in a technology-driven world.
