

CARROLL
Independent School District

CISD Regular School Board Meeting

President's Report

September 22, 2025

Ten Commandments Donation & Implementation

We are pleased to announce that Carroll ISD recently received a generous donation of displays of the Ten Commandments from Lt. Governor Dan Patrick. These displays meet the size and text requirements prescribed by Texas law. These donated posters will be placed in every classroom, in accordance with Senate Bill 10, which was passed during the 2025 Texas Legislative Session and signed into law by the Governor.

Under S.B. 10, each poster must be displayed in a conspicuous place in each classroom, must include only the text of the Ten Commandments as provided in the bill, and must be at least 16 inches wide by 20 inches tall.

It is important to note that some districts across Texas are currently under preliminary injunctions in litigation challenging S.B. 10, including Alamo Heights, Plano, Northside, and others. However, Carroll ISD is not among those districts enjoined, and we are proceeding in full compliance with the law.

Reminder: VATRE Town Halls

As a reminder to everyone present and, in our community, we are conducting a series of VATRE Town Halls (Voter-Approval Tax Ratification Election) in preparation for the upcoming vote on November 4, 2025.

These Town Halls are being organized to provide facts, answer questions, and allow for open dialogue about what the VATRE means for our students, staff, taxpayers, programs, and the financial future of Carroll ISD. We believe in transparency and want every member of the community to have the opportunity to understand the implications before going to the polls.

We have multiple Town Hall dates scheduled, both community-wide and campus-specific, so that participation is accessible. We encourage parents, staff, and community stakeholders to attend one or more of these meetings.

You can sign up for one of the three remaining community-wide meetings [here](#), or check the campus-specific schedule [on our website](#).

BRAC Tiger Team II

Last week, the BRAC Tiger Team II held its first meeting as part of the ongoing 5-year Budget Reduction Advisory Committee (BRAC) plan. The purpose of this team is to analyze, prioritize, and determine the next recommendations from the 5-year plan to help Carroll ISD address budget pressures, balance our financial commitments, and prevent the need for cuts to staff or academic programs.

This work is critical to ensure we continue providing the highest quality education while being responsible stewards of taxpayer resources. We appreciate the team's diligence and commitment to finding sustainable solutions.

Please continue reading for Dr. Glenn's Superintendent's Report.

Superintendent's Report

As we move into the fall season, I want to take a moment to celebrate the incredible momentum we're experiencing across Carroll ISD. I'm proud to share that CISD has once again been rated an A District by the Texas Education Agency, with *every single campus* earning an "A" rating as well. This level of achievement doesn't happen by chance - it's the result of extraordinary dedication by our students, educators, support staff, and families who consistently set and meet high expectations.

Our commitment to academic excellence continues to shine on the national stage, as 32 Carroll ISD students have been named National Merit Scholar Semifinalists. Most of those will become National Merit Scholars, an outstanding accomplishment that reflects their hard work, as well as the strong foundation provided by our teachers and curriculum teams. These students exemplify what it means to be a Dragon: focused, disciplined, and driven to succeed.

In athletics, our student-athletes are off to an incredible start this fall. The Carroll Dragon football team is the top-ranked football team in the state, while our volleyball, water polo, and cross country teams are competing at an elite level and earning recognition throughout Texas. We are proud to be strong contenders once again for the UIL Lone Star Cup, which recognizes the most successful districts in the state based on combined academic, athletic, and fine arts achievements. Our Dragons continue to represent our community with pride, sportsmanship, and a relentless drive to be their best.

Our fine arts programs are also thriving. Last Friday night, the Carroll Dragon Band debuted their stunning new uniforms, adding even more excitement to our game day traditions. The band looked and sounded phenomenal, and I want to thank our Board of Trustees for their ongoing support, including their investment in these new uniforms and the new band trailer, which ensures our students have the tools and resources they need to succeed both on and off the

field. In addition, Carroll Senior High's production of *Mamma Mia!* opened this weekend to large crowds and great reviews. The talent, energy, and professionalism of our students and directors were on full display, and it was a powerful reminder of just how strong the fine arts program is right here in Carroll.

It's a great time to be a Dragon. The level of excellence we are seeing across every corner of Carroll ISD - from classrooms to competition fields to performance stages - is something special, and it reflects the incredible support of our community. Thank you for continuing to partner with us in making Carroll ISD the top district in the State of Texas.

It is great to be a Dragon, indeed! As always, thank you for staying up to date and supporting our Dragons.

Cam Bryan
President,
Carroll ISD Board of Trustees
