Next Steps: Consistency, Coherence and Belonging

Consistency	Coherence	Belonging
Intentional Leadership		
All teachers meet a shared bar for quality content and good instruction. All students work on grade-level content, with additional support to access it if needed. Schoolwide structures like a strong shared curriculum, structured collaboration, and focused feedback. Everyone holds the same high expectations and works together to improve.	All pieces of the school's instructional program—curriculum, materials, interventions, and assessments—work together to advance the same set of grade-level expectations. Students start with Tier 1 instruction in classwork and interventions. Everyone understands the role they play and how the dots connect. Leaders invest in a few focused initiatives, creating clarity for staff, students, and parents/families.	Creating an emotional climate for learning that supports <u>ALL</u> students and activates students' ability to excel Knowing each student well enough to meet needs and support growth A learning environment where care and challenge go hand in hand, all students are receiving on grade-level content
• Data-Driven PLCs • District-wide instructional frameworks and HQIM • DTGSS Evaluation System and Learning Walks • Intentional Planning	• Research-based interventions • TEAM approach for whole-child learning and success • Student Problem-Solving Teams • Improved Communication, including social media	• School-wide PBIS Framework • Universal SEL Screeners for Targeted Supports • ReThink Ed Curriculum with ALL students • Universal Breakfast and Overall Wellness • Discipline Data Reviews and Next Steps
