

# Prescription Medication Assistance

**\*Always talk with your doctor/practitioner regarding your prescriptions first. If cost or lack of insurance makes it difficult for you to get your necessary prescription medication, your doctor/practitioner may be able to prescribe the generic form of the medication or a cheaper alternative that works just as well.**

## **New Jersey Division of Consumer Affairs**

New Jersey Prescription Drug Price Registry compares the retail prices charged by many pharmacies in NJ for the 150 most-frequently prescribed prescription drugs.

---

## **New Jersey Drug Card**

All NJ residents are eligible to get pharmacy discounts through this program. May provide savings on prescriptions not covered by your health insurance. May also be used instead of your insurance when it offers greater savings than your copay.
