

## Access a student's library information

If your email address is connected to a student in Destiny Library Manager as a contact for the Additional User Type feature, you can access their library information. Your district determines which features are available.

**Note:** Each student can be connected to two email addresses.

### To log in as a contact:

1. Go to the URL provided by your district to access the Destiny Verification page.
2. Type your email address.

The screenshot shows a light blue rectangular box with a white background. At the top, it says "First, enter your email address" in bold, with a smaller line below it: "Email must be connected to a NVUSD student". Below this is a rounded rectangular input field containing the text "Email Address". Underneath the input field is a blue rounded rectangular button with the text "Get Access Code" in white.

3. Click **Get Access Code**.

**Note:** If the email address either does not match what is in Destiny or is not connected to a student in the district, you will see the following message:

The screenshot shows a light blue rectangular box with a white background. In the center, it says "No students found matching email" in bold. Below this text is a dark blue rounded rectangular button with the text "Go To Login" in white.

4. Go to your email account to retrieve the access code.

#### Notes:

- The code expires in 10 minutes. If it expires, you can click **Resend Code** from the Get Access Code page.
- If you enter an invalid access code, you will see an Incorrect Access Code message.
- The email is sent from no-reply@follettsoftware.com with the subject, "Additional User Type Access Code."
- If the code is sent more than once, after the second time, the user will need to refresh the screen, and then reenter their email address.

5. From the Enter Your Access Code page:
  - a. Type your access code.
  - b. Optionally, to stay logged in from your current browser, select **Keep me logged in on this device**. If you select this option, you will stay logged in for 60 days or until you log out. If you don't select this option, you will need to log in with an access code each time.

**Enter Your Access Code**  
We sent a 6-digit code [\*\*\*]@gmail.com that will expire in 10 minutes

**Submit**

[Resend Code](#)

6. Click **Submit**.

## To navigate Additional User Type features:

Once you are logged in, you can perform a number of tasks based on your contact status.

### Notes:

- The options you see depend on how the feature is [set up for your district](#).
- The Primary Contact designated for this feature has full access to any enabled options, including blocking and unblocking titles. A Secondary Contact has view-only access to any enabled options.
- Blocked titles for a patron will remain blocked across school years and as the patron moves to new sites within a district, unless those titles are unblocked by the patron's Primary Contact.

The user's name associated with your email address appears in the top-right corner. If you have more than one student in the district, a drop-down appears. To view a different user, select their name from the drop-down.

Use any of the following options:

- **Search:** Search by title, author, or subject to find materials. When search results appear, you can click **...** to block a title from being checked out or **View More Details** to see more information on a title as a guest user via Destiny Discover.

**Note:** If a patron has access to interlibrary loans, and a title is only available offsite, a note states it is *Available offsite only*.

- **Checkouts:** View the current checkouts. To see more information about a title as a guest user via Destiny Discover, click **View More Details**.

- **History:** View the checkout history, as well as current checkouts. To see more information about a title as a guest user via Destiny Discover, click **View More Details**.

- **Blocked:** View any titles you marked as blocked. You can click **...** to remove the block on a title or **View More Details** to see more information about a title as a guest user via Destiny Discover.

**Note:** Blocked titles for a patron will remain blocked across school years and as the patron moves to new sites within a district, unless those titles are unblocked by the primary contact for that patron.

- **Logout:** Log out of your current session.
