Snack

Each class has a designated snack time.

Please pack a small, healthy snack that does not require utensils and is a disposable bag.

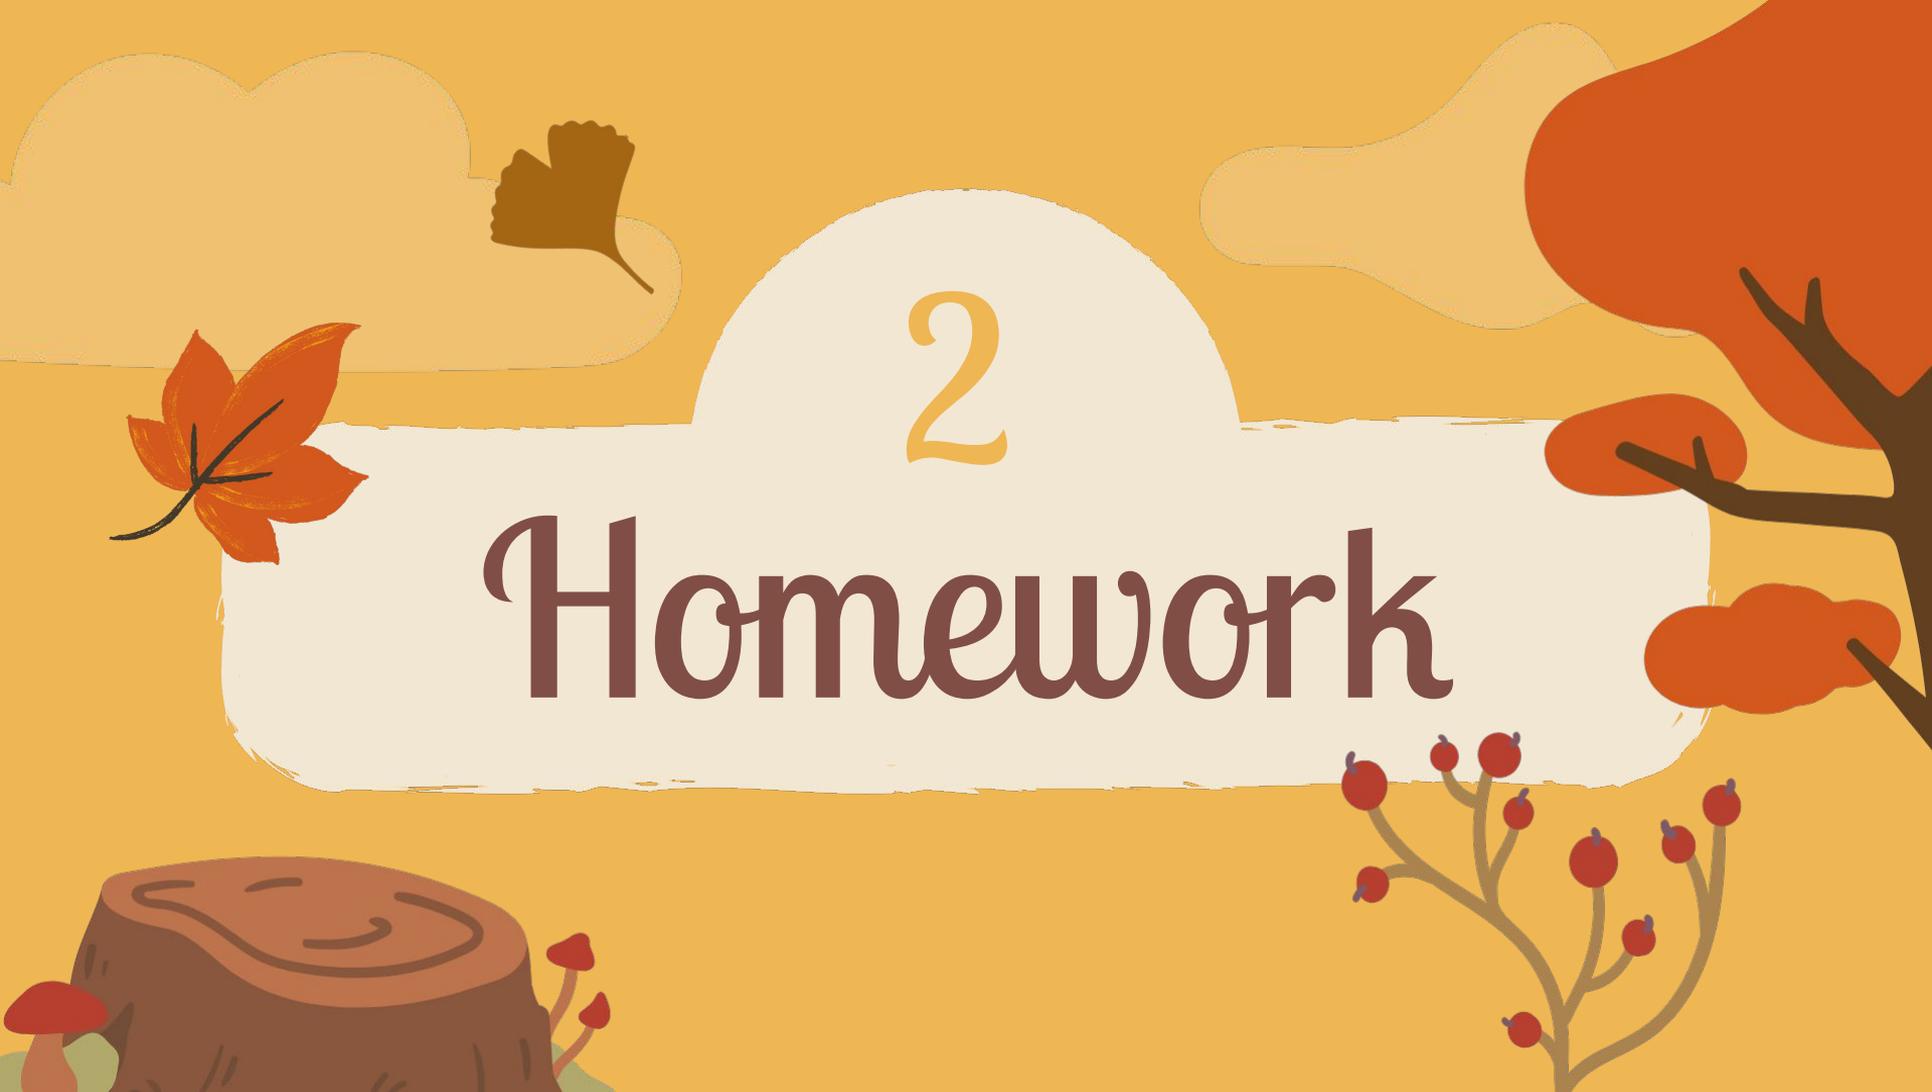

Water Bottles

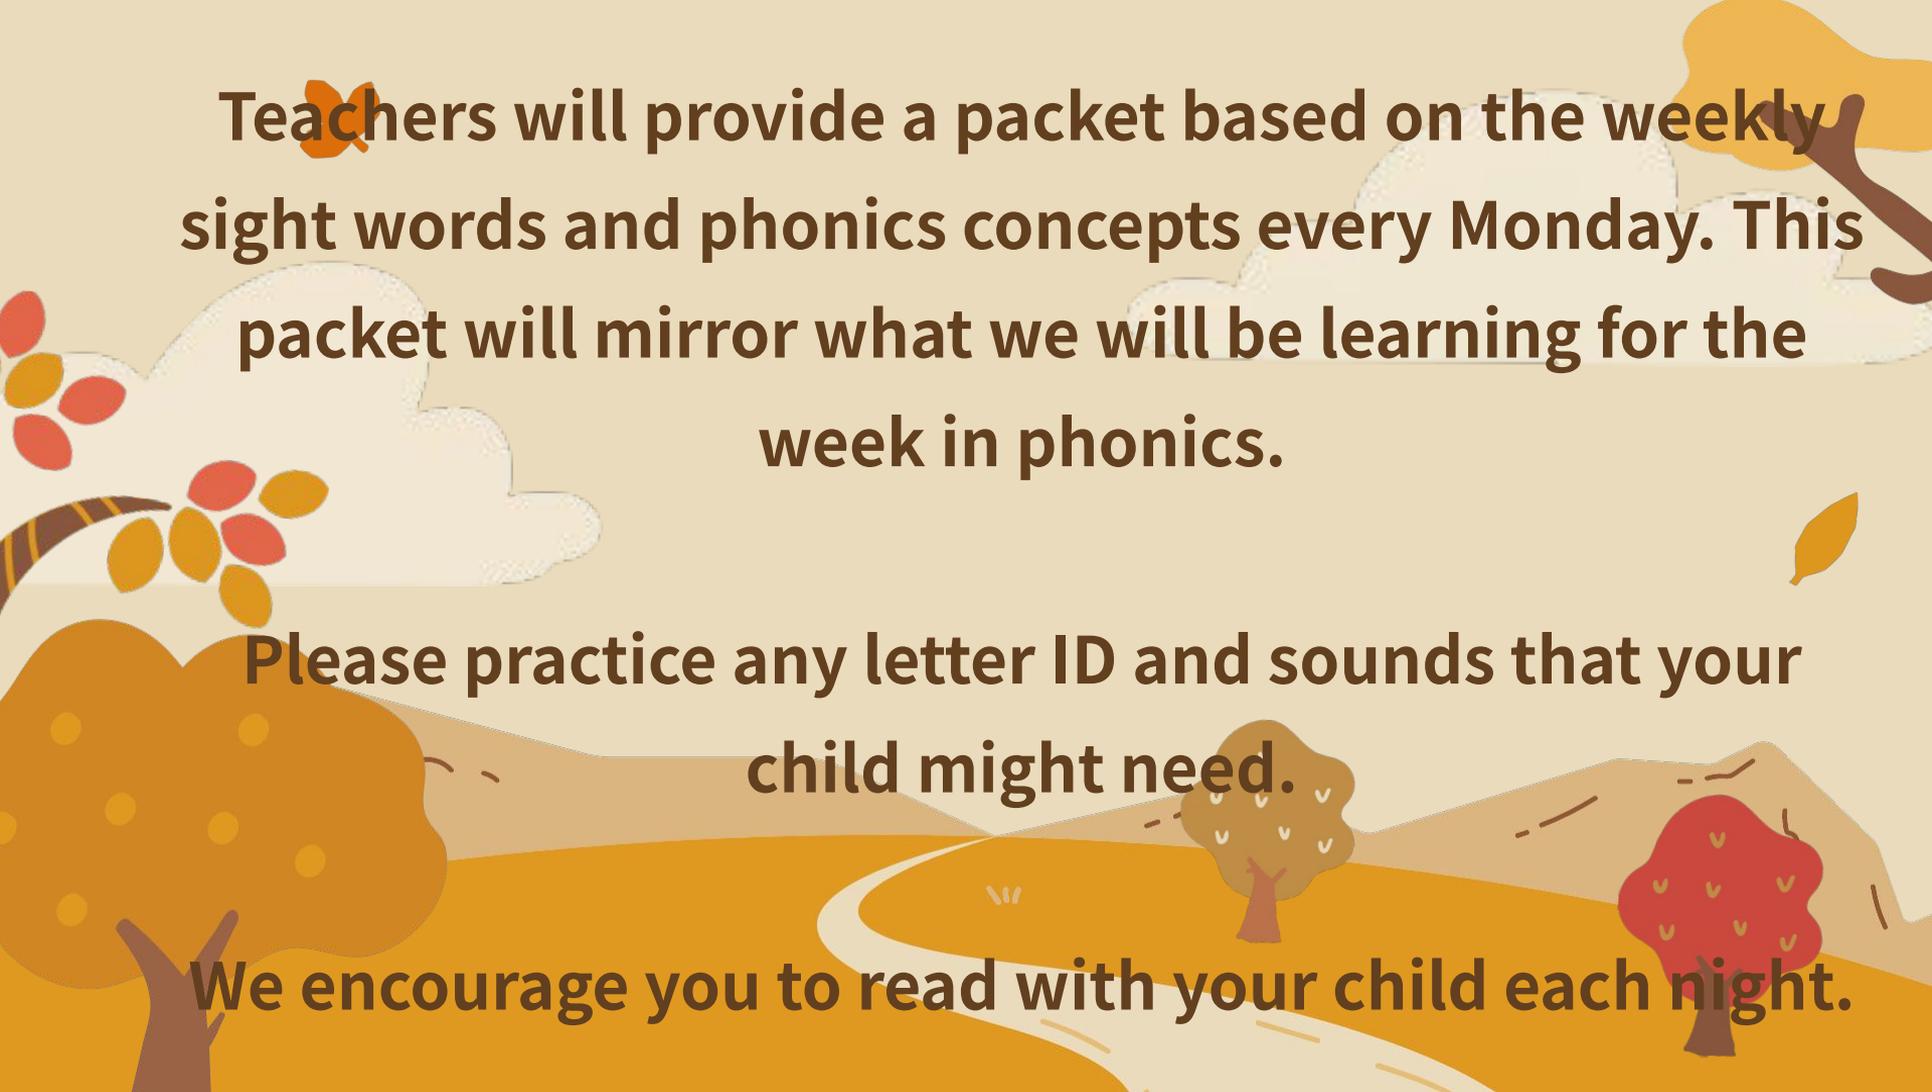

Students may bring a water bottle to school each day. Please **ONLY** fill with water. Juice, tea, lemonade, etc. will not be permitted to drink.

The background is a warm, golden-yellow color. In the center, a white banner with a slightly distressed, hand-drawn edge contains the number '2' in a yellow, serif font. Below the number, the word 'Homework' is written in a dark brown, serif font. The banner is surrounded by various autumn-themed illustrations: a single orange maple leaf on the left, a dark brown tree branch with orange leaves on the right, a tree stump with red mushrooms in the bottom left, and a branch with red berries in the bottom right. There are also some faint, stylized clouds in the background.

2

Homework

An autumn-themed illustration featuring a winding path through rolling hills. The hills are in shades of orange and yellow. There are several trees: a large orange tree on the left, a smaller brown tree in the middle, and a red tree on the right. The sky is light yellow with white clouds and a few falling leaves. The text is centered in a dark brown font.

Teachers will provide a packet based on the weekly sight words and phonics concepts every Monday. This packet will mirror what we will be learning for the week in phonics.

Please practice any letter ID and sounds that your child might need.

We encourage you to read with your child each night.

3

Attendance

Attendance and Timelines

Family written notes will only excuse 10 absences per academic year. Dr.'s notes are preferred.

Please include your child's full name, teacher, the reason, date and parent/guardian signature.

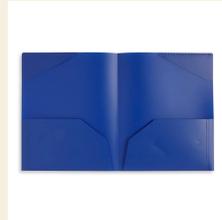

**Turn in excuses to the office or in your child's folder or email
erin.warren@fayette.kyschools.us**

The background is a warm, golden-yellow color. At the top, there are stylized clouds in shades of light orange and yellow. A single brown leaf is shown falling from the top left. On the right side, there is a large, dark brown tree branch with several bright orange leaves. In the bottom left corner, there is a brown tree stump with two small red mushrooms growing from it. In the bottom right corner, there is a small branch with several red berries. A large, white, rounded rectangular banner is centered in the middle of the page. Inside the banner, the number '4' is written in a large, golden-yellow font at the top, and the word 'Communication' is written in a dark brown, cursive font below it.

eOS and Wel-Mart

What is eOS?

eOS is a wonderful tool that helps us hold students accountable for meeting our Wellington Creed Expectations each day, while also allowing us to reward them for going above and beyond those expectations!

- Student behavior will be tracked at least 3 times per day (reading, math, specials). This will give them their employability percentage.
 - Our school goal is for our individual employabilities to be at or above 95%.
-

What is Wel-Mart?

e-bucks

Students also have the opportunity to earn “eBucks” to spend in our school store “Wel-Mart.” Students can earn dollars in two ways:

1. Focus Taps- \$1 eBuck rewards for students going above and beyond in areas such as kindness, hard work, etc.
2. eBuck Rewards- eBuck rewards for larger amounts for meeting goals on assessments, attendance, and safety.

- “Wel-mart” is our school store. Students will have the opportunity to shop our school store that is stocked by our awesome PTA, once every 9 weeks.
- If your student falls below 95% employability, they may not get to shop. This is challenging goal! We do not expect students to be perfect but want their goal to be ambitious, yet, attainable.

The background is a solid warm orange color. It features several decorative elements: a red maple leaf in the upper left, a brown leaf in the upper center, a yellow ginkgo leaf in the upper right, and clusters of red berries in the upper right and lower center. At the bottom, there are three pumpkins: one on the left with a dark leaf, one in the center with a dark stem, and one on the right with a dark stem. The number '6' is centered in a white, rounded, cloud-like shape.

Background Checks

If you would like to go on a field trip or if you choose to volunteer at school (Book Fair, School Store, etc) you are required to complete a background check. This does not include visiting at lunch.

Please note that if you choose to attend a field trip you will be asked to help lead a group of students. We ask that any siblings please refrain from attending the trip.

7. MAP/iReady
Testing and
ESG1

MAP/iReady Testing

Students will take both diagnostic tests 3 times this year. Once at the beginning of the year, once in the winter, and one final time at the end of the school year.

MAP/iReady diagnostic allows us to see where students begin the year and to see their growth throughout the year as they continue to learn and grow.

As teachers we also take the data given to us from MAP scores to form groups and to help us drive instruction.

ESGI

- ESGI is a quick assessment format that is completely digitally. Every Friday students will be assessed on the letters, sounds and words that were taught that week.
 - Data collected each week allows teachers to understand who has mastered the content and may benefit from enrichments and who may need additional support.
- 

8.

၂၄၅၅

UFLI

UFLI is our comprehensive phonics curriculum. UFLI is based on the Science of Reading.

Students will learn 2 letters and sounds each week as well as sight words or heart words.

Heart words are high-frequency words that have an irregular spelling pattern and doesn't follow the standard rules of spelling. Ex: said.

Teaching

We plan our lessons based on the Kentucky Academic Standards for Education. We only teach what the standards lay out for us.

Teachers follow a district pacing guide to help us plan lessons accordingly.
