

# IMPORTANT YEARBOOK INFORMATION FOR SENIORS

All Seniors are asked to submit a senior portrait, baby picture, and quote to the Yearbook. **The deadline for Senior Portraits, Baby Pictures, and Quotes to Yearbook Staff is November 21, 2025.** *Please keep in mind that we work with a publishing company that sets our deadlines. Therefore, on-time submission is crucial to our book being printed and delivered on schedule.*

❖ **Preferred Senior Portrait Specifications:**

- Head and shoulder shots (full body shots appear very small).
- Vertical color photos. Horizontal photos will be cropped and may not work in the space.
- No watermarks allowed on photos.
- Photos emailed preferred in **jpeg** format – Due to resolution requirements, we highly recommend not taking your own photo. We cannot guarantee their quality in the yearbook.
- You will be featured in the senior section one time. (Example, if you are to graduate a year early and are featured in the senior section of the yearbook but then do not graduate that year, you will not be featured in the senior section the following year. Your name will appear as “not pictured”.)

❖ **Baby Pictures:**

Baby photos can be any size. If submitted by email, please use **jpeg** format.

❖ **Senior Quotes:**

Senior quotes should be short phrases from a famous person or someone who has influenced you. They should be positive, inspirational, or hold a personal meaning for you. When choosing your quote, please keep in mind the following:

- No symbols, abbreviations, “creative spelling”, acronyms, or emojis
- No profanity, gang-related words/phrases, no drug or alcohol references
- No derogatory comments toward students or staff
- No questionable/inappropriate content; no sexually explicit content
- No language that denigrates another person’s ethnicity, religious/political beliefs, sexuality, gender, physical, or mental abilities, etc.
- Quotes should be positive and respectable
- Yearbook advisers and/or the principal have the right to reject a questionable quote.
