

EASTON AREA SCHOOL DISTRICT

Parent Right to Know Information as Required by The Elementary and Secondary
Education Assistance (ESEA) [Section 1112(e)(1)(A)] and the Every Student Succeeds
Act [Section 1112(e)(1)(A)]

August 2025

Dear Title I Parents/Guardians:

Your child's school receives federal Title I funds to assist students in meeting state achievement standards. This letter lets you know about your right to request information about the qualifications of the classroom staff working with your child.

We are very proud of our teachers and paraprofessionals and feel they are prepared to provide your child with a high-quality education. All Title I schools must meet federal regulations related to teacher qualifications. These regulations allow you to learn more about your child's teachers' training and credentials. You may also ask whether your child receives help from a paraprofessional. If your child receives this assistance, we can provide you with information about the paraprofessional's qualifications, also.

Our administrators and teachers are committed to helping your child develop the academic knowledge and critical thinking he/she needs to succeed in school and beyond. That commitment includes making sure that all of our teachers and paraprofessionals meet applicable Pennsylvania state requirements.

If you have any questions, please contact me at 610-250-2400 x 35043 or email me at caropresen@eastonsd.org.

Sincerely,

Nancy Caroprese
