Dear Mr. Cook-

Again, it is inaccurate to say the search query did not follow your request as "any sender with "David.Grissom"" covers both of the email addresses you requested as they each contain the phrase "David.Grissom". Additionally, as previously stated, "all:(("trespass")" was searched. "OR" (as bolded in the email chain below) separates this from the other terms.

Regards,
Candace

Hello
Thank you very much.

It appears the search parameters are incorrect.

I requested the following email addresses which were not searched.

Email from: "David.Grissom@beaufort.k12.sc.us"
Or
"David.Grissom@beaufortschools.org"

To include only the word or any form of "trespass" in the body of the email.

Please use this revision.

Thank you.
Regards,

David Cook
