D'Arcangelo & Co., LLP:

This representation letter is provided in connection with your audit of the financial statements of the Clinton Central School District, which comprise the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information as of June 30, 2025, and the respective changes in financial position and the disclosures (collectively the "financial statements"), for the purpose of expressing opinions as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of September 22, 2025, the following representations made to you during your audit.

## **Financial Statements**

- Adjustments or disclosures have been made for all events, including instances of noncompliance, subsequent to the date of the financial statements that would require adjustment to or disclosure in the financial statements.
- We are in agreement with the attached adjusting journal entries you have proposed, and they have been posted to the District's accounts.

We have reviewed, approved, and accepted responsibility for those financial statements, disclosures, schedule of expenditures of federal awards and data collection form.
