

Student SAFETY During Arrival and Dismissal

We ask that **ALL drivers use our NORTH LOT for drop off and pick up.**
The SOUTH LOT is for staff and buses only.

Drivers with an accessible parking pass may use our blue reserved spaces in the SOUTH lot when available.

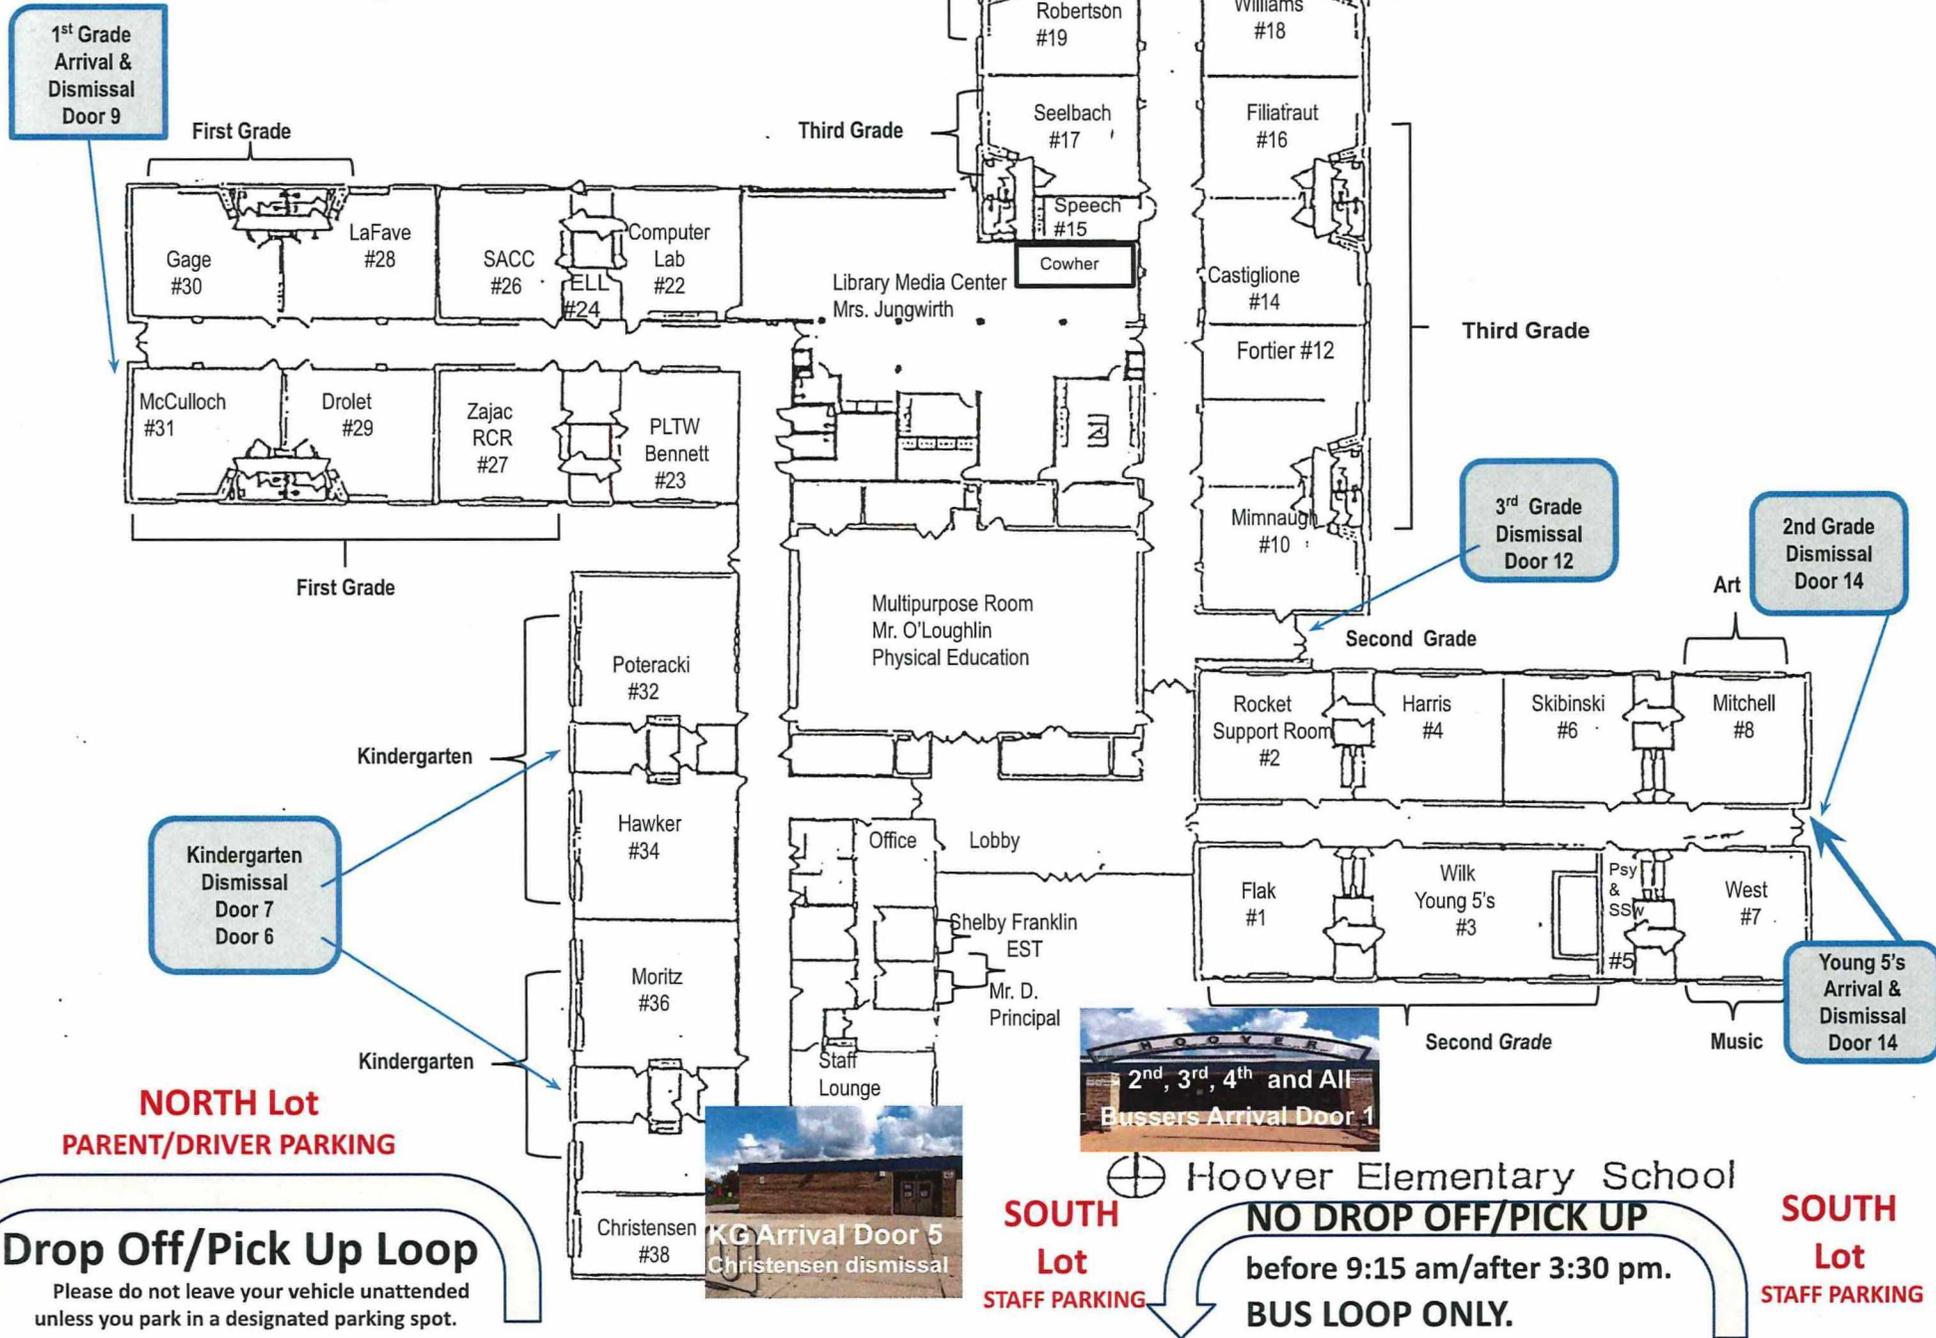

It is very important for student safety that we do not have extra cars or students walking to/from cars in the SOUTH lot.

1. Drivers who use the drop off/pick up LOOP in the NORTH parking lot should **NOT exit their vehicle**. Please **PULL UP as far as you can** in the line and allow your student to exit the vehicle independently. Please do not stop to drop students off in the crosswalks.
2. Drivers should **obey all posted traffic signs** while entering and exiting the NORTH lot and **follow crossing guard instructions**.
3. Students should **walk on SIDEWALKS ONLY** and should enter the NORTH parking lot at the crosswalk where staff can assist. No students should be walking through the south parking lot. **Walking in the SOUTH lot creates safety concerns for bus drivers.**
4. Students that are NOT meeting a driver in the pickup LOOP, should be met at the classroom dismissal door or walkway by the adult picking them up. **Drivers not using the loop should park in a designated spot in the NORTH lot or along a side street to exit their vehicle and meet the student.**
5. All **walkers** should **stay on sidewalks** and **cross with the crossing guard** if they need to cross Levan.
6. If you have a "meeting spot" at the end of the day (2nd-4th only), please make sure it is in a safe area (not in the parking lot) and remind your child of these important safety rules.
7. The BUS LOOP in front of the school is NOT a regular drop off or pick up area. **The bus loop needs to be free of cars until 9:15 a.m. each morning and after 3:30 p.m. each afternoon.**
8. For late arrivals or early dismissals: Drivers should NOT use the bus loop in the SOUTH parking lot before 9:15 a.m. or after 3:30 p.m. **Please park in the NORTH lot or on a side street if you are dropping a student off before 9:15 a.m. or picking up after 3:30 p.m.** All late arrivals and early dismissals require adult signature in the office. **Students will not be called out of class until we have a signature.**

Please share the above information with any driver involved in your arrival/d dismissal plan.
