WEEKLY SPOTLIGHT!

Our spotlight will highlight some of our teachers, employees, and students at our school. The newsletter team asked them a few questions so we could know them better!!

Meet Mrs. Michelle Santiny

1. What does a day in the life of a front office worker look like?

There are days when it's loud and full of people and others where we are quietly working in our offices.

2. What is your favorite part about this job?

My coworkers. They are the best!

3. How do you handle an angry parent?

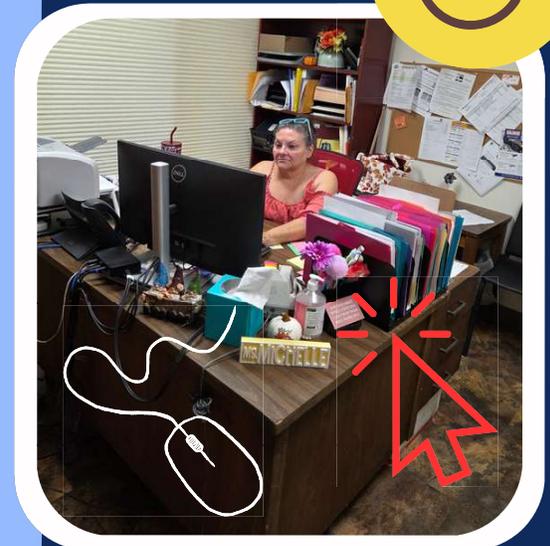

Empathize. Usually anger comes from worry for their child. We understand and want to help.

4. What computer skills do you possess that make your job easier?

I love making spreadsheets! I used to use excel, but now I'd rather google sheets.

5. What is your favorite office environment?

We have a supportive, caring office group. We have worked together for a long time and have been friends even longer. We work like a "well oiled machine," and we all like our office organized, pretty, and smelling pretty.
