PARENT INVOLVEMENT

Required College & Career Guidance Notice to Parents:
Victory provides college and career advising to its 8th-12th grade in a variety of ways. For 8th graders, the high school registrar helps students prepare their high school four-year plan. 8th graders also complete weekly Next Steps career prep assignments and activities throughout the year during their scheduled computer lab. These assignments are reviewed by the high school Life Skills/apprenticeship teacher in preparation of the 8th-graders entering high school. At the high school level, the high school registrar, apprenticeship coordinator, and teachers take part in college and career advising through such activities as one-on-one college & career advising, apprenticeships/career exploration, completion of a college binder their junior year (which includes completing college applications). High School students must also complete the Life Skills class. Daily, at the beginning of every high school class, Core Knowledge and SAT prep questions are reviewed. College representatives also visit the school. Victory's state-approved, College and Career Advising and Mentoring Plan can be found on Victory's website, www.victorycharterschool.net under the Parent Involvement tab.

The 2025-2026 Title IA and Families-in-Transition PowerPoint presentation that will be shared during the Barnyard Bash/Open House is also available for viewing on the school's website at www.victorycharterschool.net under the Parent Involvement tab.

The school's 2025-2026 Wellness Policy Plan Program Update is on the school's website. If parents and students would like to review and provide comments, they can do so by sending comments to office@victorycharterschool.net Comments received will be shared at the governing board meeting where the wellness policy plan is on the agenda.
