

Requirements for Membership in the CB East Science National Honor Society

- A member must be in their Junior or Senior year.
- A member must have and maintain at least an **overall 3.7000 GPA (weighted)**.
- A member must have completed and/or be enrolled in:
 - a) If applying as a **junior**: one honors or AP level science course in 10th grade (Honors Biology and/or Honors Chemistry).
 - b) If applying as a **senior**: one honors or AP science course (Honors Physics and/or AP Biology and/or AP Chemistry and/or AP Physics Newtonian and/or AP Physics Electricity and Magnetism and/or AP Environmental Science) in 11th grade.
 - c) one honors or AP level science course (Honors Physics and/or AP Biology and/or AP Chemistry and/or AP Physics Newtonian and/or AP Physics Electricity and Magnetism and/or AP Environmental) in 12th grade.
 - d) an Honors or AP Physics class during either the 11th or the 12th grade.
- **A member must maintain a 4.0000 GPA (weighted) across all science courses.**
- **A member must be active in two science clubs at Central Bucks High School East.**
- A member must abide by the school's code of conduct.
- Members are required to attend at least **5 meetings** a school year. Meetings will be once a month after school for approximately 45 minutes.
- Members must complete **5 hours of service** per year to maintain their membership through the Science National Honor Society. Members must complete only **1 hour of service** in the year of their induction. 1 hour of service must come from a list of approved service commitments. Members may not submit service hours that were/will be submitted to other organizations such as NHS, Key Club, etc.
- All members must attend one local chapter officer's lecture annually. Lectures occur during regularly scheduled meetings. Also, regular members may give a lecture with the approval of the chapter advisor(s).
- Future candidates must petition for membership in the Science National Honor Society by completing the proper application and returning it as directed by the posted deadline. Returning members must complete a separate registration form.
- Future candidates and returning members must pay annual dues/fees. Unsuccessful applicants will have dues/fees refunded. Any member who is dismissed from SNHS will not have dues/fees refunded. Students who are part of the Free and Reduced Lunch Program will have their dues/fees reduced to zero automatically.
- A member may be dismissed if he/she violates the standards, obligations, or ideals of the Science National Honor Society or if their Cumulative GPA and/or Science GPA fall below the requirements. If dismissed, a student may not re-apply for membership at any time.
