Hearing

The Wisconsin Lions Foundation (WLF) Hearing Project is dedicated to the needs of the Hard of Hearing. It is run by a combined effort of Wisconsin Lions and Hearing Healthcare Professionals throughout the State. This project helps Wisconsin's individuals of all-ages who are Hard of Hearing and cannot afford to purchase a hearing aid.

Anyone interested is required to fill out an application, which can be found by going to www.wlf.info, emailing hearing@wlf.info or calling our office at (715) 677-4969. All applicants must obtain prior authorization from the WLF Hearing Project before ordering a hearing aid.

Vision

WLF provides multiple vision-related resources for Wisconsin residents that can benefit your students.

Vision Screening

Lions throughout the state are trained to conduct vision screenings for the early detection of potential eye issues. Utilizing PlusOptix or Spot screeners, the screening process is quick, resulting in either a pass or referral to an eye health professional for further evaluation. To schedule vision screening for your students, contact Dennis Pampel at dennispampel87@gmail.com or Kenny Palmer at kenlynpalm@yahoo.com.

Voucher Program

Students who need an evaluation from an optometrist and do not have vision insurance or the means to pay for the visit may be eligible to receive a voucher for a free eye exam and/or pair of glasses through our Shopko Optical Kids in Focus Voucher Program. To obtain additional information or to request a voucher, email Project Director Keith Mueller at kmueller@wlf.info.
