Margate City School District Assessment Schedule
2025-2026 School Year

Margate School Families,

Please review the district assessment schedule. The schedule lays out the various assessments and benchmarks the students will take throughout the school year. You will notice two additional assessments this year, the National Assessment of Educational Progress, each 8th grader will be assessed in either English or Math, this data is used by the federal government to create "The Nation's Report Card." The other is field testing for NJSLA Adaptive for grades 4-8 this fall. If you have any questions please contact your school principal for more information.
