

PTO NEWSLETTER

August was a busy month at Silverlake, full of events, activities, and welcoming everyone back to school. With the help of our wonderful volunteers, we were able to cover lunch duty for teachers and provide Kinder PE support for Coach Parker. The month also gave us the perfect chance to reflect on all the amazing things our PTO accomplished last year. At the end of this newsletter, take a peek at what we're planning for this year with a budget overview, fundraiser plans, and all of our amazing sponsors. Read below for a recap of August and September events and highlights from our 2024–2025 Year in Review.

School Supplies Delivery. PTO Came, PTO Conquered

The PTO Executive Board and volunteers successfully delivered 293 EPI School Supplies Packages straight to classrooms. From unpacking boxes to printing labeling and breaking down boxes along the way, our team made sure every student started the year ready to learn. A huge thank you to our School Supplies Chair, Dana Van Horrick, for organizing everything with precision and care.

HOSPITALITY

Our teachers and staff work so hard, and our Hospitality Chair, Callie Chakalis, has been making sure they feel appreciated every step of the way. From the very first day back, Callie welcomed them with thoughtful goodie bags and stocked the staff lounge with snacks and drinks. A little boost of energy to brighten their busy days.

Callie, has a great lineup of events this year. If you'd like to lend a hand and be part of the fun, visit our PTO website to sign up for volunteer opportunities.

PTO Membership Drive

Silverlake families showed up in a big way for our Snow Cone PTO Membership Drive! Congratulations to our 3rd graders for taking the top spot with the most PTO memberships and earning a snow cone party during recess.

Our Membership Chair, Kim Smith, kept the drive running smoothly and brought plenty of energy to the effort. It's not too late to join. Membership is open year round, and every family counts.

-Thank you!

Volunteer Opportunities

With so much going on, we're always in need of a helping hand. Current opportunities include upcoming events and PTO projects on campus. Our Library Chair, Nikki Kessler, is also seeking volunteers to help in the library. Sign-ups are available at silverlakepto.org. Volunteer opportunities will continue throughout the year, so there's something for everyone. Whether you can give an hour or a day, your support makes a real difference for our students and staff.

You can find volunteer
sign-up opportunities
anytime on our PTO website

Family Fun Night

Our first Family Night of the year, Play Date at the Park, was a big success with an amazing turnout. Families came together to relax, connect, and let the kids burn off some energy. This event wouldn't have been possible without the hard work of our Family Fun Night Chair, Tiffany Curtis. Tiffany planned and coordinated every detail, making sure the evening was fun and welcoming for everyone.

PTO's Driving Force

This spotlight goes to our PTO President, Brienne Reverendo. Brienne is the heart of our PTO. She handles almost everything behind the scenes, making the work of all PTO chairs and the executive board effortless. From organizing events to supporting volunteers, she keeps everything running smoothly. Her dedication goes beyond any job description. She supports every chairperson, offers smart solutions, and always puts the PTO first. We can't thank Brienne enough for all she does.

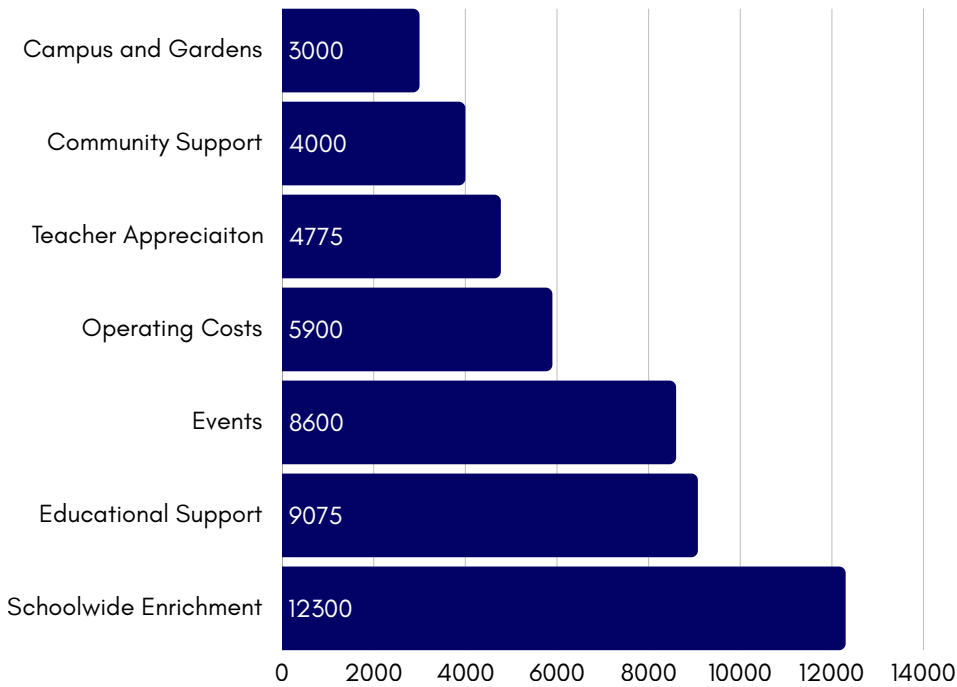

-Thank you!
