FARMER'S MARKET

SCAVENGER HUNT

October is Farm Fresh Month! To celebrate, all elementary students are invited to visit a local farmer's market and complete this scavenger hunt. Check off each item from the list as you find it. Make notes with details about each item that you find.

Students who submit their scavenger hunt by October 31 to Marissa Bell, Interim Director of Food & Nutrition Services at bellm@ltisdschools.org, will be presented with a "Local Foods Leader" certificate in their classroom and receive a seed packet to grow their own food! Include a photo of yourself at the farmer's market with your submission to be featured in campus communications!

GROWING TOGETHER

From Farm-to-School

Connecting Students, Local Farmers, & Our Community

Lake Travis ISD Food & Nutrition Services is a proud co-founder of the **Central Texas Farm to School Collaborative**, a regional network of school districts, farmers, and community partners working to bring more fresh, local food into schools and expand farm-to-school education. Together, we're strengthening our local food system and connecting students with where their food comes from!

For Farm Fresh Month, we are excited to partner with **Pedernales Farmers Market**, a fellow member of the Collaborative!

Visit this weekly market in Spicewood to find fresh produce, pasture-raised meats and eggs, local honey, baked goods, handmade products, and more! Enjoy live music, family-friendly activities, and support local farmers!

SUNDAYS | 10 AM–2 PM | SPICEWOOD, TX
