

A decorative banner with a purple string and colorful flags (blue, orange, green) hangs across the top. The background is a light orange color with scattered blue, orange, and green stars.

Curriculum Presentation 2025-2026

Robert Morris
3rd Grade

Hello! I'm...

My name is Robert Morris, and this will be my ninth year of teaching and fifth straight year teaching 3rd grade! I got married in July 2023 and my wife is a high school math teacher in the Snoqualmie Valley School District. We have a dog named Romeo and a cat named Julian who we both adore. In our spare time we like to run, hike, and go to Mariners games. You can always reach me at rmorris@lwsd.org.

at 1:45

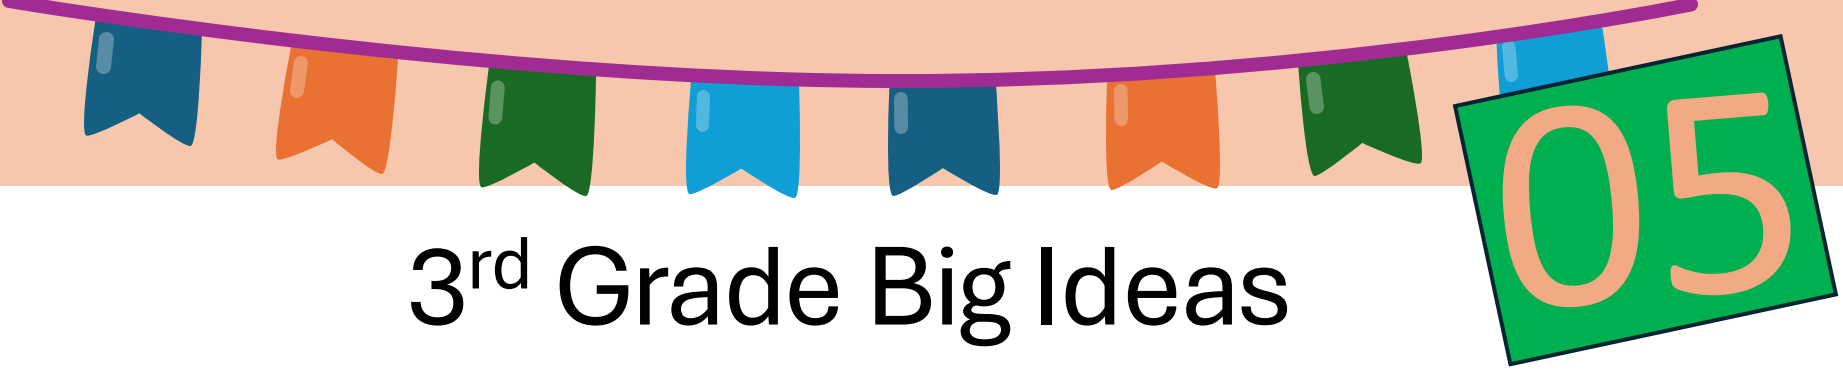

Homework

★ **Daily reading log-** read 10-20 minutes nightly and adult must sign reading log daily. Please only fill out one line per night. When the entire page is full, your child will take a trip to the prize box! Reading tests will usually occur on Fridays.

★ **Spelling words** will go home Monday. We will have a test on Friday.

Tic-Tac-Toe Spelling is optional and students receive an I Got Caught when finished.

★ **Math - Please work with your child to memorize their addition and subtraction facts.** We will be adding multiplication/division facts this year, so that is the most important work for you to do at home. Math homework related to what we are studying in class will go home on occasion.

3rd Grade Big Ideas

- **Math-** The big ideas in grade 3 include: developing understanding of **multiplication and division** and multiple strategies for multiplication and division, developing understanding of **fractions**, especially unit fractions, developing understanding of the structure of **rectangular arrays and area**; and describing and analyzing **two-dimensional shapes**.
- **Writing-** personal narrative, explanatory, persuasive
- **Reading-** oral reading fluency, comprehension, vocabulary, fiction/non-fiction, reading to learn
- **Social Studies and Science:**
 - History, Economics, geography
 - Forces, Weather, Inheritance traits, Environment, Survival

Nuts & Bolts

- f Look for our weekly class update on Fridays. It will have important dates and reminders as well as what we will be studying the following week.
- f The school has adopted a no treat policy for birthday celebrations. However, they will receive a small gift from the office.
- f Please pack a water bottle and healthy, easy to eat, snacks each day.
- f I enjoy having volunteers in our classroom. Please contact me if you are interested in volunteering.

Thank you for taking the
time to read this!

I honestly believe that your
child's success is dependent
on our partnership, so please
don't hesitate to contact me
via email or ParentSquare
messenger.
