HEART FOR SERVICE REQUIREMENTS Junior High

- Students are required to complete a minimum of 12 hours of service in and around their community each academic year.
- Each trimester, each student will be required to complete a minimum of 4 hours of service. These hours will count toward 10% of the student's Bible grade.

First trimester hours will be due November 7, 2025. Second trimester hours will be due February 27, 2026. Third trimester hours will be due May 14, 2026. No extensions.

- Forms must be turned in on or before the due date to be counted for the trimester.
- Hours accumulated will only count in the trimester they were completed and toward the overall hours total for the entire academic year. Summer service will count toward the first trimester.
- Opportunities for service for students to participate will be offered throughout the year and will be communicated to the students and parents. Some opportunities may require parent supervision.

STUDENT EVALUATION FORMS

- Students are required to complete the Heart of Service Evaluation form for each volunteer opportunity served.
- Students must have the volunteer supervisor complete and sign the Heart of Service Evaluation form on their behalf.
- Please type your responses to the required questions in complete sentences in MLA format. Include your name, grade, date and location of service. Submit your responses along with the evaluation form to your Bible teacher within the trimester the hours were served.
- All forms and questions must be complete for your Heart for Service hours to be counted.
