

I'm excited announce that we are continuing the use of Beanstack to track your student's time reading this year!

Beanstack can be accessed through your child's ClassLink app OR There is also a downloadable app for your phone: "Beanstack Tracker" and you can log in with your child's school google account (see below):

Login:

username: first three letters of student last name first three letters of student first name and last four numbers of their student ID #

password: frist letter of student's last name and the whole student ID number

Example: Chaisson Dangerfield StudentID:10020336

Username: dancha0336

Email: dancha0336@ccsdschools.com

Password: d100020336

The goal is for students to read 20 minutes per day!

As your child meets goals, new badges will appear on their homepage! There will be different challenges throughout the year including South Carolina Book Award Nominations and Winners when they are announced (students may have to answer questions related to these books).

Your student's teacher may create their own reading challenge for their class!

Teachers can pull progress reports throughout the month and I will pull progress reports as well for our monthly prizes.

The Charleston County School District goal for all schools is 30,000,000 minutes although there are awards for meeting different levels. All minutes must be logged by May 31, 2026!

Happy Reading!
Ms. Dangerfield
