help?

TITLE I

It is a Federal Program which helps fund the state/local agencies/schools meet the educational needs of low-achieving students.

How did my school qualify for Title I?

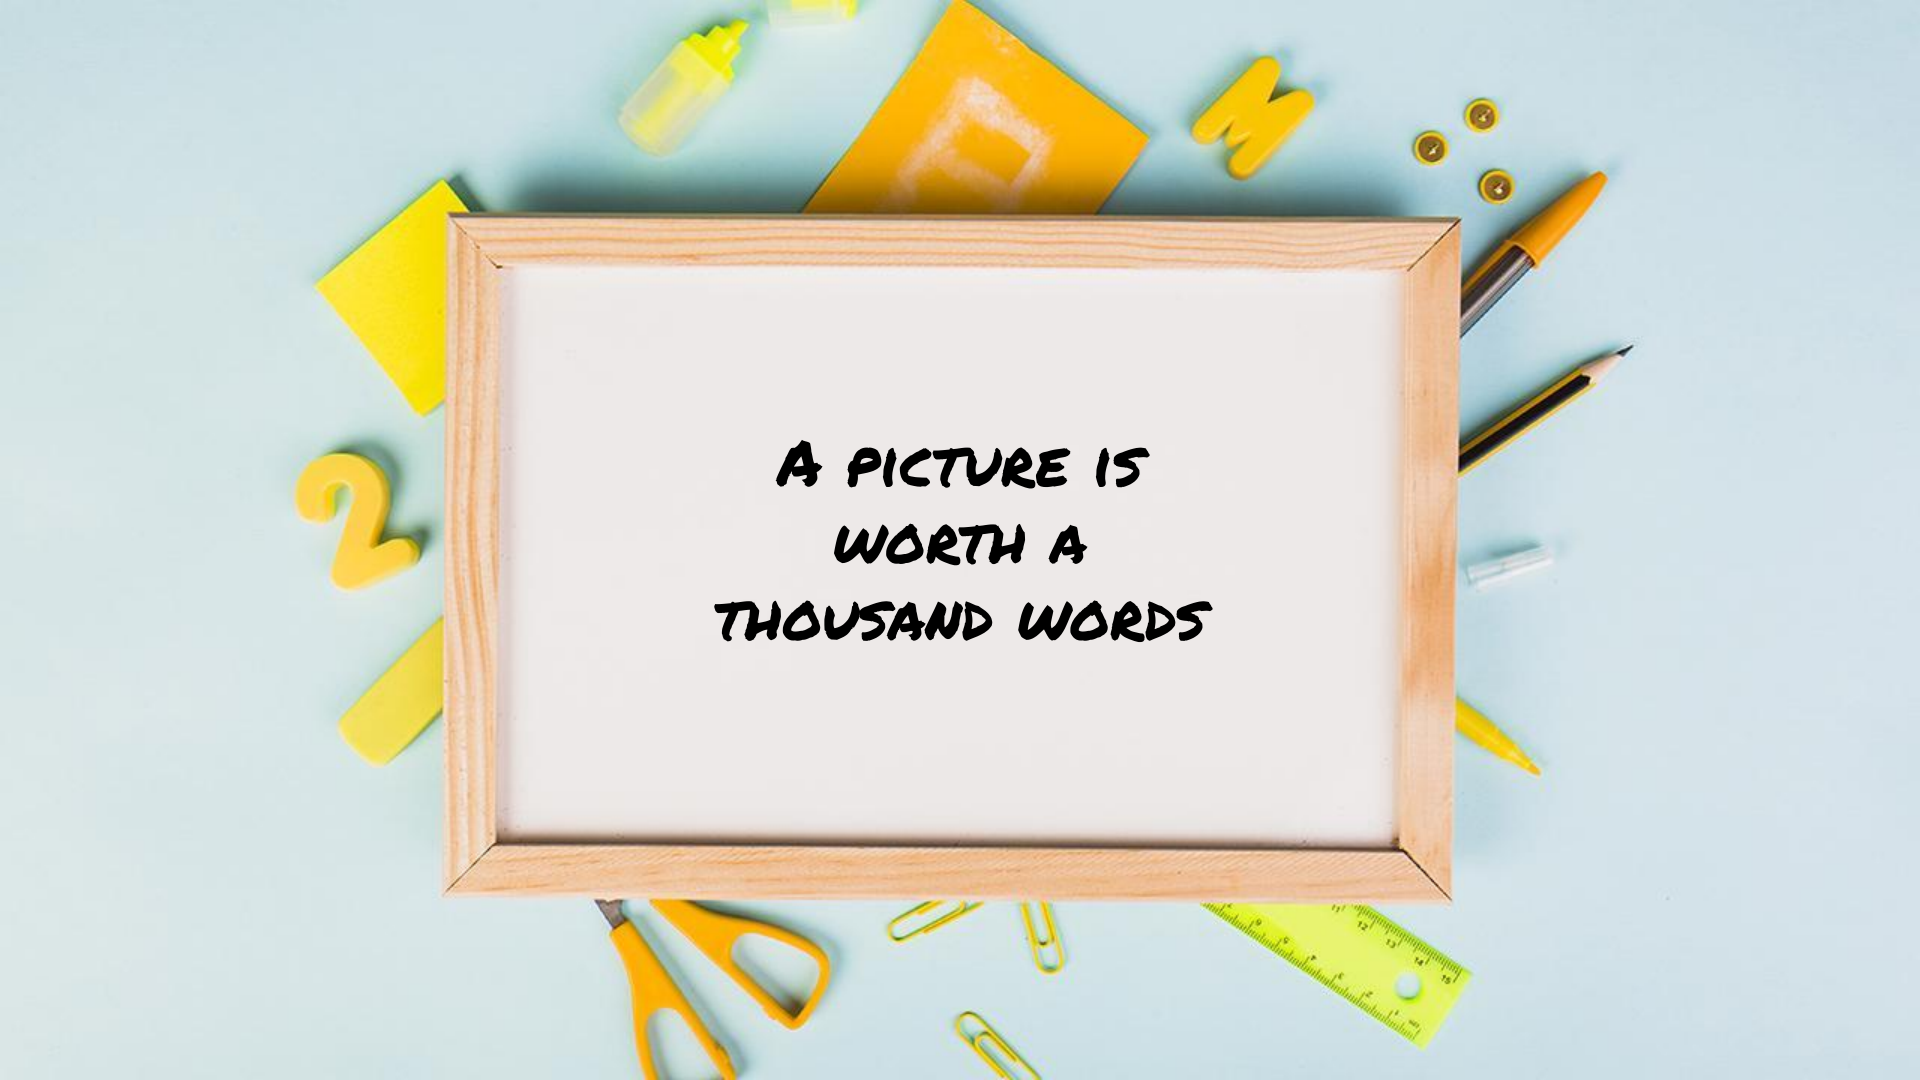

In order to qualify for Title I, a school's population is 40% or more of students living in poverty, regardless of the school configuration.

The Title I Federal Program will assist the school in providing the necessary resources and support for students to reach their goals.

A PICTURE IS
WORTH A
THOUSAND WORDS

The image features a central wooden-framed sign with a white background. The sign is surrounded by various yellow stationery items on a light blue background. These items include a glue stick, a square of paper, a letter 'M', three buttons, a pen, a pencil, a paperclip, a ruler, a pair of scissors, a letter '2', and a rectangular piece of paper.

We are committed to providing families with meaningful, two-way communication about **Oak Hill High School's** plan and your child's academic progress throughout the year.

Here are ways we can partner to meet our plan's goals:

- **Communicate with us:** Contact your child's teacher or principal with questions about your child's progress, learning needs, or school events/programs through teacher website, school media accounts, etc.
- **Support learning at home:** Parent involvement at middle and high school takes many forms. Whether it's checking homework, talking more about college and career choices, attending Open House or volunteering for PTA and booster clubs, your engagement makes a difference.

By knowing what's happening in the classroom and on campus, you can help your student to focus on coursework and school activities to ensure college and career readiness.
