

Bridger After-School Club

We are excited to share the news with our incoming 6th grade families about the opportunity to join a Bridger Club! The clubs we provide after school are an intramural activity for students to learn new skills and enjoy an extra curricular sport activity to help build teamwork, character building and game etiquette. The clubs provided at Bridger throughout the year: Soccer, Running, Volleyball, Basketball, Swimming, and Football. Below, the rules and procedures set in place are to help ensure sportsmanship and safety to all students and club sponsors.

Club Rules

1. After school clubs are a privilege, therefore if a student struggles in the classroom, they will not be able to participate in the club. Any result in a safe seat, buddy room, ISS, or OSS will result in dismissal from the club.
2. Parents will need to pick up their students on time. If the parent is late more than once to pick up their child, the child will be dismissed from the club. It is imperative that rides are prompt at 4:00.
3. If a student can't follow directions or behave during the club, they will be dismissed from the club.
4. Students must be respectful to all peers and club sponsors.

***Any of these violations may result in a forfeiture of the students participation in a club.
