

AP 2025-2026 Registration Bulletin

Taking the Advanced Placement exam is the culminating activity of every AP course. Even though taking the AP exam is optional, Eastern Regional High School encourages all students to sign up for the exams of their respective AP courses. Scoring well on an AP exam can often earn students college credit and potentially save a significant amount of college tuition.

Online exam registration will begin on Wednesday, Oct 1, 2025 and end on Wednesday, Nov 5, 2025 at 11:59 PM.

The AP exam registration process is broken into two steps. **Both** steps must be completed in order to have AP exams ordered. Please use your school email address.

Step 1: Begin the process by registering at www.TotalRegistration.net/AP/310417. Here you will indicate the exams you wish to take. After this process is complete, you will be asked to pay for the exams. Once payment is made, you will receive instructions for completing Step 2 of the process. You will also receive your AP exam join codes, which are an essential part of the AP program. Please note that all exam fees will be paid online to Total Registration, so be sure to have a **debit card or credit card available before beginning registration.**

Step 2: Complete the process by visiting MyAP.CollegeBoard.org and log in to your College Board account. Create a new account if you do not already have one. Once logged in, go to the AP Classroom page. Enroll all your AP courses and exams in the College Board's "MyAP" system with the Join Codes you received from Total Registration. If you have already joined the classes in MyAP through your classroom teacher, you're already enrolled and don't need the join codes given by Total Registration. However, you do need to check MyAP to confirm that all classes for which you plan to test are listed. For EACH class, you must indicate whether or not you plan to test by responding "YES" or "NO" in the "ORDER EXAM" section. Be sure to complete this task for each class and its exam. Eastern will only order exams for which you have paid in Total Registration AND joined appropriately in MyAP.

This year, each AP exam costs \$99.00. Students who are approved for the Federal Free/Reduced Lunch program and require financial assistance should contact [Mr. Crawford](#) in Guidance to learn more.
