In May 2025, NOHS administered

1,282 AP TESTS

to

571 STUDENTS

COLLEGE CREDIT

A successful score on an AP Exam is a widely recognized sign of college-level achievement. More than 90 percent of four-year colleges in the United States and colleges in more than 60 other countries give students course credit on the basis of AP Exam scores.

COLLEGE SUCCESS

Students who take AP courses and exams are much more likely than their peers to complete a bachelor's degree in four years or less. In fact, taking just one AP course and exam increases those chances by 16 %. Students taking two or more AP courses and exams are twice as likely to complete a bachelor's degree in four years or less.

COURSE RIGOR

The National Association for College Admission Counseling found that the single most significant factor in deciding college admissions is success in rigorous college preparatory courses.

AP®

CollegeBoard

- All students in AP classes are expected to take the exam at the end of the course.
- AP exams will cost $103 and can be paid online through Total Registration.
- Students in AP courses earn a 10% weighted grade at the end of the course.

AP STUDENTS
are more prepared
FOR COLLEGE & BEYOND.

WHAT COURSES SHOULD I TAKE?

As a ninth grader, the only AP classes you can take is AP Government and AP Human.

Most AP classes are paired with another yearlong course OR are offered second semester.

Have a question about the right courses for you? Reach out to your counselor!

INFORMATION ABOUT THE GEORGIA STEM WAIVER

For standard-fee students in public schools, the state of Georgia will pay for one AP Exam in science, technology, engineering, or math based courses each year.

For students enrolled in any of these courses, please indicate you are eligible for a waiver when registering through NOHS on Total Registration.

ABOUT THE CAPSTONE PROGRAM

AP Capstone is a diploma program from College Board based on two year long AP courses: AP Seminar and AP Research.

These courses develop students' skills in research, analysis, evidence-based arguments, collaboration, writing, and presenting.

HELPFUL EXAM REGISTRATION INFORMATION

EXAM REGISTRATION OPENS	**AUG 10**
2ND SEMESTER DEADLINE TO REGISTER AND PAY	**FEB 27**
MAY 2026 AP TESTING DATES	**MAY 4-15**

Students must register in AP Classroom through their CollegeBoard account and join their courses with Join Codes provided by the teacher.

Students with existing accounts should log in using their previous information.

Students must also register and PAY through the Total Registration platform. Students must complete BOTH steps to successfully register for their exams.

Students that are enrolled in a STEM course and/or qualify for Free/Reduced Lunch should indicate this when registering to reduce the amount owed.

Students needing additional financial assistance are approved on a case-by-case basis. Contact Dr. Seth Rhine with questions.
