PSAT Administration – Tuesday, October 7 (All students, grades 9-11)

On Tuesday, October 7, all students in grades 9 through 11 will participate in PSAT testing at Northview High School. The PSAT serves as a valuable tool in preparing students for the SAT and provides important data to support academic planning. Additionally, Fulton County Schools utilizes PSAT results as a universal screener; therefore, participation is mandatory for all students in these grade levels.

Grade-Level Assessments:

- 9th Grade: PSAT 8/9
- 10th & 11th Grades: PSAT/NMSQT

Testing will begin promptly at 8:20 AM and is expected to conclude by approximately 12:15 PM. Students are required to use their FCS-issued devices for testing. To ensure a smooth testing experience, multiple device checks will be conducted prior to test day.

Senior Students: Seniors will have an asynchronous learning day and will not report to campus.

Additional Information: Students who remain on campus after testing will have access to academic support activities, including recovery, remediation, help sessions, and study hall for work completion.

If you prefer to check your student out following the PSAT, please complete the [PSAT check out form](#).

If you have questions regarding the PSAT, please contact Dr. Bounds @ boundsc1@fultonschools.org.
