Creating your Campus Parent Portal Account

Option A

Check your email Inbox for **“User Account Activation”** message from GCS

Option B

Check **Portals** page on GCS website for account claiming instructions

Infinite Campus: Parents will log in with their portal username and password to access the secure Parent Portal. Instructions for claiming your account are here:

LEARN ABOUT THE ALL NEW CAMPUS PARENT PORTAL

1. To claim your account from the GCS website, click on **Portals** at top of webpage.
2. Under Families, click on the box that reads **Learn About…Parent Portal**.
3. Click on the **Step-by-Step Guide** under the FAQs.

Frequently Asked Questions

— HOW DO I CLAIM MY CAMPUS PARENT ACCOUNT?

Parents/caregivers who previously had a parent portal account received an email titled "User Account Activation" with a link to activate your Infinite Campus Parent account. [illegible] code with instructions if your link does not work.

CLICK HERE FOR A STEP-BY-STEP GUIDE TO CLAIMING YOUR ACCOUNT

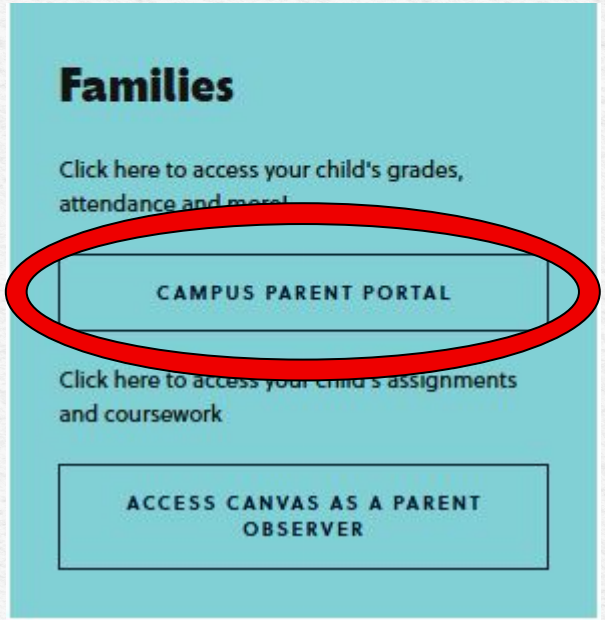

If you did not previously have a parent portal, the NC Department of Public Instruction has provided a look up site for your activation code. You will need your child's Student ID number to get the code. This may be found on their report card or by contacting your school.

CLICK HERE TO FIND YOUR CODE
