The Greater Rochester Community

As the largest public school district in Oakland County, Michigan, approximately 15,000 students residing in the greater Rochester area have the advantage of receiving a world-class education from nearly 1,900 highly qualified staff members.

Rochester Community Schools is comprised of 13 elementary schools, four middle schools, three comprehensive high schools, an early childhood learning center and an educational campus, primarily in the City of Rochester Hills, the City of Rochester, and Oakland Charter Township. The well-established communities provide residents and business professionals access to a wide array of recreational and cultural activities, restaurants, parks, medical facilities and continuing education institutions, as well as a close proximity to the Detroit Metropolitan area.
