6:15 pm
Har-Bur Learning Center**

Present: Scott Ragaglia (Chair), Melanie Wilhelm, Vicky Basile, Chris Rau (LSM Principal), Jay Pelchar (LSM Athletic Director)

1. The Meeting was called to order at 6:15pm
2. New Business:
 - a. Follow up discussion from prior BOE Meeting regarding the condition of uniforms. While all replacements are on a cycle both the ASPC and the Full BOE would like an annual assessment regarding the condition of each team's uniforms and what needs to be replaced off cycle.
 - b. The primary purpose of this meeting was to discuss the fact that Football no longer has enough participants to be a stand-alone program. If Football is to be offered as an LSM Fall sport the only viable option is to enter into a co-op arrangement. Jay Pelcher and Chris Rau made a presentation regarding potential partners and stated of the groups they explored, Oliver Wolcott Tech is the most viable. The pro's that we pointed out is that the school is close by, and students who are residents of Harwinton and Burlington who attend there can play for their hometown. The con's discussed are Oliver Wolcott has an even smaller number of available players than LSM and while this arrangement might work short term it may provide issues long term. In addition, the preliminary financial numbers re OWT presented placed a larger/disproportionate financial burden on Region 10. The proposal was preliminary and Principal Rau stated that he believed that there was some additional wiggle room financially for OWT to increase their share of the contribution to make the sport viable. He stated that he will report back to us informally prior to the next BOE Meeting as time was of the essence and the Co-op had to be approved by the next BOE Meeting to meet state requirements. We agreed to fast track this to the full BOE and I would provide an update to the BOE and this evening's scheduled meeting.
3. No follow-up Meeting was scheduled. A motion to Adjourn was made at 7:10pm by Melanie Wilhelm and Seconded by Vicky Basile
