

503 STUDENT ATTENDANCE

[Note: The provisions of this policy substantially reflect statutory requirements.]

I. PURPOSE

- A. The school board believes that regular school attendance is directly related to success in academic work, benefits students socially, provides opportunities for important communications between teachers and students, and establishes regular habits of dependability important to the future of the student. The purpose of this policy is to encourage regular school attendance. It is intended to be positive and not punitive.
- B. This policy also recognizes that class attendance is a joint responsibility to be shared by the student, parent or guardian, teacher, and administrators. This policy will assist students in attending class.

II. GENERAL STATEMENT OF POLICY

A. Responsibilities

1. Student's Responsibility

It is the student's right to be in school. It is also the student's responsibility to attend all assigned classes and study halls every day that school is in session and to be aware of and follow the correct procedures when absent from an assigned class or study hall. Finally, it is the student's responsibility to request and complete any missed assignments due to an absence in a timely manner.

2. Parent or Guardian's Responsibility

It is the responsibility of the student's parent or guardian to ensure the student is attending school, to inform the school in the event of a student absence, and to work cooperatively with the school and the student to solve any attendance problems that may arise.

3. Teacher's Responsibility

It is the teacher's responsibility to take daily attendance and to maintain accurate attendance records in each assigned class and study hall. It is also the teacher's responsibility to be familiar with all procedures governing attendance and to apply these procedures uniformly. It is also the teacher's responsibility to provide any student with an excused absence with any missed assignments upon request. Finally, it is the teacher's responsibility to work cooperatively with the student's parent or guardian and the student to solve any attendance problems that may arise.

4. Administrator's Responsibility

- a. It is the administrator's responsibility to require students to attend all assigned classes and study halls. It is also the administrator's

responsibility to be familiar with all procedures governing attendance and to apply these procedures uniformly to all students, to maintain accurate records on student attendance, and to prepare a list of the previous day's absences stating the status of each. Finally, it is the administrator's responsibility to inform the student's parent or guardian of the student's attendance and to work cooperatively with them and the student to solve attendance problems.

- b. In accordance with the Minnesota Compulsory Instruction Law, Minnesota Statutes section 120A.22, the students of the school district are REQUIRED to attend all assigned classes and/or study halls every day school is in session, unless the student has been excused by the school board from attendance because the student has already completed state and school district standards required to graduate from high school, has withdrawn, or has a valid excuse for absence.

B. Attendance Procedures

Attendance procedures shall be presented to the school board for review and approval. When approved by the school board, the attendance procedures will be included as an addendum to this policy.

1. Excused Absences

- a. To be considered an excused absence, the student's parent or legal guardian may be asked to verify, in writing, the reason for the student's absence from school. A note from a physician or a licensed mental health professional stating that the student cannot attend school is a valid excuse.
- b. The following reasons shall be sufficient to constitute excused absences:
 - (1) Illness.
 - (2) Serious illness in the student's immediate family.
 - (3) A death or funeral in the student's immediate family or of a close friend or relative.
 - (4) Medical, dental, or orthodontic treatment, or a counseling appointment.
 - (5) Court appearances occasioned by family or personal action.
 - (6) Religious instruction not to exceed three hours in any week.
 - (7) Physical emergency conditions such as fire, flood, storm, etc.
 - (8) Official school field trip or other school-sponsored outing.
 - (9) Participant in a school athletic event.
 - (10) Removal of a student pursuant to a suspension. Suspensions are to be handled as excused absences and students will be

c. Consequences of Excused Absences

- (2) Work missed because of an absence must be made up within:
 - two school days for a single absence;
 - four school days for two consecutive absences; and
 - five schools days for three or more consecutive absences.

The building principal or the classroom teacher may extend the time for completion of make-up work in the case of extenuating circumstances.

Any work not completed within this allotted period shall result in "no credit" or score of zero for the missed assignment.

d. Assessments

- (1) When a student is absent when an assessment or assignment is due, and the student has been present for instruction, the assessment or assignment is due upon return to class, unless online submission is required on the assigned due date.
- (2) Students are expected to complete final exams on the assigned day. Failure to take final exams or culminating activity will result in a zero for the assessment.

2. Unexcused Absences

a. The following are examples of absences which will not be excused:

- (1) Truancy. An absence by a student which was not approved by the parent and/or the school district.
- (2) Any absence in which the student failed to comply with any reporting requirements of the school district's attendance procedures.

- (3) In cases of recurring unexcused absences, the administration may also request the county attorney to file a petition with the juvenile court, pursuant to Minnesota statutes.
- (4) Students with unexcused absences shall be subject to discipline in the following manner:
 - (a) The student will not be allowed to make up work missed due to such absence.
 - (b) After the third cumulated unexcused absence in a term, a student's parent or guardian will be notified by mail that his or her child has reached an unacceptable number of absences.
 - (c) After such notification, the student or his or her parent or guardian may, within a reasonable time, request a conference with school officials regarding the student's absences and the prescribed discipline. The notification will state that the school strongly urges the student's parent or guardian to request such a conference.
 - (d) A student will be assigned detention for unexcused absences.
 - (e) After 7 cumulated unexcused absences in a term, the

administration will alert county officials of the pattern of truancy.

- b. Consequences of tardiness may include detention after three unexcused tardies.

D. Participation in Extracurricular Activities and School-Sponsored On-the-Job Training Programs

- 1. This policy applies to all students involved in any extracurricular activity scheduled either during or outside the school day and any school-sponsored on-the-job training programs.
- 2. School-initiated absences will be accepted and participation permitted.
