# SAFETY CARE TRAINING

MCOE is offering a 1-day initial Safety Care training that covers Incident Prevention, Incident Minimization, Physical Safety, and After an Incident care for classroom staff. Trainees will receive Specialist certification w/restrictions.

## KEY FOCUS AREAS

- INCIDENT PREVENTION
- INCIDENT MINIMIZATION
- PHYSICAL SAFETY
- AFTER AN INCIDENT

*\*Physical Management will not be covered in this training series. Inquire with registration.*

## LEARNING OBJECTIVES

- How trauma, disability, or reinforcement can contribute to behavior
- How to prevent crises through structured, supportive classroom environments
- How to stay safe when students become agitated or escalate
- De-escalation strategies to calm situations without confrontation
- How to lead recovery and post-incident debriefing with care and accountability
