- B. **Annual Report and Accountability.** The School will conduct an annual review of the administrative operations of the School and will report to the District, in writing, its findings no later than the last day of December following each school year the School is in operation.

The School's report shall include at least the following information: 1) a financial statement disclosing costs of administration, instruction, facilities, instructional materials, and other categories of expenditures and revenues; 2) description of the District services provided to the School and their effectiveness and efficiency; and 3) Colorado Department of Education requirements for the annual progress report not otherwise listed above.

The District shall have immediate access to other key information about the School, including items contained in the Application, specifically: 1) a description of the assessments used to measure student progress; 2) a description of the staffing of the school, summarizing the qualifications of staff members; and 3) a description of the

School's educational program. The District oversees all state assessments and special education services on behalf of the School and, therefore, has access to: 1) a summary of student assessment results and 2) progress of students' Individualized Education Plans.

- C. **Independent Audit.** The School agrees to pay for an independent audit by the same certified public accountant retained by the District. The School shall bear any additional fees incurred by the District as a result of the School's audit. Should the School decide to obtain an auditor of its own choosing, the District's Superintendent or designee shall have the right to reject such auditor upon written notice of the reason(s) to the School. The District's Finance Director will oversee the completion of the audit, with participation of the School's administrative staff. Final audit reports will be provided to both the School and the District.

15. GOVERNANCE AND ACCOUNTABILITY

- A. **Operation as a Public School.** The School shall operate in all respects a non-religious, non-sectarian, non-homebased public school. The School shall not be affiliated with any non-public sectarian school or religious organization.
- B. **Open Meetings Law.** The School acknowledges that it is subject to the provision of the Colorado Open Meetings Law, C.R.S. § 24-6-401, *et seq.*, and that It will comply with the provisions of such law in connection with all of its activities.
- C. **Non-Discrimination.** The School will not discriminate against any person on the basis of race, creed, color, sex, national origin, religion, ancestry, sexual orientation, or disability and will maintain compliance with all applicable federal, State and local statutes, rules and regulation relating to such discrimination issues.
- D. **Operational Powers.** The School will be fiscally responsible for its own operations and is not precluded from applying to any appropriate public agency for available revenue or support.

The School will have authority independently to exercise the following powers (together with such powers as provided for elsewhere in this Contract): contracting for goods and services; preparation of budgets; selection, supervision, evaluation, and determination of compensation for personnel; promotion and termination of

personnel; leasing facilities for school purposes (subject to compliance with Section 10(D) of this Contract); accepting and expending gifts, donations, or grants); purchase of real estate and entering into lease purchase agreements or capital leases (subject to Section 10(D)); accepting and expending gifts, donations, or grants of any kind in accordance with such conditions prescribed by the donor as are consistent with the terms of this Contract.

The School shall contract for all goods and services only in the name of the 501(c)(3) corporation established for the purpose of conducting the School's operations. The School shall include in all of its contractual commitments, including but not limited to any loan agreements, that the School shall be solely responsible for performance of its obligations, and that the District shall have no liability for obligation to cure any defaults of the School concerning such obligations.

- E. **Authority of Governing Body.** The School's governing body shall have such authority as is described in the Application and is necessary to exercise the powers granted by this Contract or by law. The School's governing body shall serve as fiscal agent for the School and shall ensure the School's compliance with applicable laws, rules, and regulations, whether federal, State or local, including but not limited to provisions which apply to the School's site, facility, vehicle/transportation plan and food service operations, if any.
- F. **District's Right to Review.** The School will be subject to review of its operations and finances by the District, in its sole discretion, deems such review necessary. The District may require remedial action. If the District reasonably determines that there is a substantial likelihood that the School will fail to meet or make reasonable progress toward achievement of the content standards or pupil performance standards identified by the School in the Application, or that it will fail to meet generally accepted standards of fiscal management, or will violate federal, State or local law, this Contract, or District policies applicable to it, the School will, within thirty (30) days of notice from the District, propose a corrective action plan. The District will have the right to approve or reject the plan, and to monitor implementation of the plan.
- G. **Administrative Records.** The School will maintain all administrative records, including student academic records, required by law and District policies and procedures, to the extent no waivers apply. In particular, the School shall maintain such student records as the District maintains through its student information data processing system to maintain such records. The School agrees to make all administrative and student records promptly available to the District for review and copying upon request. The School may meet this requirement by the methods identified in Section 11(I) of this Contract. Regularly maintaining student information through the District's information processing system will be deemed to satisfy the requirement that such records be made available to the District.

- H. **Student Discipline/Expulsion.** The School shall ensure that any student discipline policies and procedures which it adopts shall provide students such due process rights as may be required by law and per School policy.

17. EMPLOYMENT MATTERS

- A. **No Employee or Agency Relationship.** Neither the School nor its employees, agents, or contractors are employees or agents of the District; also, neither the District nor its employees, agents, nor contractors, are employees or agents of the School. None of the provisions of this Contract will be construed to create a relationship of agency, representation, joint venture, ownership, or control of employment between the parties than that of independent parties contracting solely for the purpose of effectuating this Contract.
- B. **Pension Plan/Benefits Administration.** Employees of the School shall be members of the Public Employees' Retirement Association, and their compensation shall be subject to withholding for employer and employee contributions in the amounts required by law. School employees may receive health and dental insurance benefits through the District upon approval by the District's insurance carrier(s), provided that the District shall be permitted to withhold and retain the premium payments.
- C. **School Employees.** The School will be the employer of all teachers and other staff employed by the School and shall not be subject to any collective bargaining agreement entered into by the District, or subject to District policies regulating its own employees.

18. BREACH OF CONTRACT, TERMINATION, AND DISSOLUTION

The grounds and procedures for termination of this contract and dissolution of the School will be as follows:

- A. **Termination by the District.** Upon ninety (90) days advance written notice or such lesser amount of notice reasonably necessary to serve the health, safety, or welfare of the students at the School, and subject to Section 18(B) below, this Contract may be terminated and the charter revoked by the Board upon recommendation of the Superintendent of Schools for:

- i. Any other ground set forth in the Contract.

Upon notice under this subsection (A), the School shall have a minimum of sixty (60) days in which to cure or correct the matters identified by the District. The District shall not withhold its reasonable assistance that may assist or effectuate such a cure or correction. Upon determining that the School is diligently pursuing a correction or cure that is reasonably calculated to address the issue, the District shall withdraw a notice of termination

- B. **Effective Date of Termination and Other Intervention.** Any action by the Board that non-renews or revokes the School's charter and/or terminates this Contract will only be effective after exhaustion of the School's opportunity to appeal to the State Board of Education, as provided by law.

Notwithstanding this limitation, and notwithstanding the opportunity for cure described above, during the period after the District gives the School written notice of a termination or a material breach, the District *may* require the School to take those actions necessary to prevent or otherwise address a serious and imminent threat to the health, safety, or welfare of the School or District students, the community or the substantial property rights of the District or the School, including but not limited to: (1) freezing bank accounts and other assets of the School; (2) only making expenditures or disposition of assets approved by the District; and (3) providing full and complete access to all of the School's records, data, and information. Such emergency actions shall not be deemed a trusteeship or receivership.

- C. **Other Remedies.** The District may impose other remedies for breach as otherwise allowed by law, including, but not limited to, revocation of waiver(s), withholding of funds, return and/or disposition of asset of the School, and termination of lease(s).
- D. **Termination by the School.** Should the School choose to terminate this Contract before the end of the contract term, it may do so in consultation with the District at the close of any school year and upon written notice to the District given at least thirty (30) days before the end of the school year.

- E. **Dissolution.** Upon termination of this Contract for any reason, or if the School should cease operations or otherwise dissolve, the Board will supervise and have authority to conduct the winding up of the business and affairs of the School; provided, however, that in doing so, the District will not be responsible for, and will not assume any liability incurred by the School beyond funds allocated to it by the District under this Contract. School personnel and its governing body shall cooperate fully with the winding up of the affairs of the School.
- F. **Disposition of School's Assets upon Termination or Dissolution.** Upon termination of this Contract for any reason, or if the School should cease operations or otherwise dissolve, then, at the sole discretion of the District, any assets owned or otherwise held by the School, and not requiring return to the donor or grantor, including tangible, intangible, and real property, will become the property of the District and title thereof will be transferred to the District, unless and/or to the extent the District shall decline in writing to accept the same.

19. INSURANCE AND LEGAL LIABILITIES

- A. **Insurance.** Upon mutual agreement, the School shall maintain at its cost such insurance policies as are specified by the District with qualified insurers and in amounts and terms of coverage as are approved by the District, for the operation of the School, including but not limited to property insurance, general liability insurance, workers' compensation insurance, unemployment-compensation insurance, motor vehicle insurance, personal liability bonds for School employees, and errors and omissions insurance covering the School, its governing body, and its employees. Upon mutual agreement and approval of the District's insurance carrier(s), the School may be added as an insured party under the District's policies, provided that the District shall retain all additional costs incurred for such insurance from funding to be distributed to the School.
- B. **Risk Management.** The School will promptly report to the District any and all pending or threatened claims or charges; provide the District's legal counsel and superintendent with all notices of claims within five (5) days of receipt; cooperate fully with the District in the defense of any claims asserted against the District, its Board members, agents or employees arising from or related to the operation of the School; and comply with the defense and reimbursement provisions of the Colorado Governmental Immunity Act and the District's and the School's applicable insurance policies. If the School obtains insurance through any policy held by the District, it shall comply with all risk management requirements of the District or its insurer. The School shall pay for its own legal fees, if not covered by insurance.
- C. **Limitation of Liabilities.** In no event will the District, Board members, District officers, employees, or agents be responsible or liable for the debts, acts or omissions of the School, its governing body members, its officers, employees, or agents. The School shall include a statement to this effect in each contract or purchase order it enters into with third parties.

- D. **Faith and/or Credit; Contracts with Third Parties.** The School shall not have authority to extend the faith and credit of the District to any third party and agrees that it will not attempt or purport to do so. The School acknowledges and agrees that it has no authority to enter into a contract that would bind the District, and agrees to include a statement to this effect in each contract or purchase order it enters into with third parties. The School acknowledges that the School's authority to contract is limited by the same provisions in law or District policies that apply to the District itself.

20. GENERAL

- A. **Merger.** This Contract contains all terms, conditions, and understandings of the parties relating to its subject matter. All prior representations, understandings and discussions are merged herein and superseded by this Contract.
- B. **Amendments and Modifications.** No amendment or modification to this Contract will be valid unless ratified in writing by the Board and the School's governing body and executed by authorized representatives of the parties.
- C. **Governing Law and Enforceability.** This Contract will be governed and construed according to the Constitution and Laws of the State of Colorado. If any provision of this Contract or any application of this Contract to the School is found to be contrary to law, such provision or application will have effect only to the extent permitted by law. Either party may revoke this Contract if a material provision is declared unlawful or unenforceable by any court of competent jurisdiction and the parties do not successfully negotiate a replacement provision.
- D. **Changes to Law.** The provisions of this Contract, including but not limited to those provisions concerning funding, shall remain binding upon the parties throughout the term of this Contract notwithstanding any modification to or change in the Charter School Act or similar laws made after execution of this Contract.
- E. **No Waiver.** The parties agree that no assent, express or implied, to any breach by either of them of any one or more of the provisions of this Contract shall constitute a waiver of any other breach.
- F. **No Third Party Beneficiary.** This Contract shall not create any rights in any third parties who have not entered into this Contract, nor shall any third party be entitled to enforce any rights or obligations that may be possessed by either party to this Contract.
- G. **Non-assignment.** Neither party to this Contract shall assign or attempt to assign any rights, benefits, or obligations accruing to the party under this Contract unless the other party agrees in writing to any such assignment.

21. DISPUTE RESOLUTION PROCESS

All disputes arising out of the implementation of this Contract shall be subject to the dispute resolution process set forth in this Section, unless specifically otherwise provided.

- A. **Informal Negotiation.** If a dispute arises between the District and the School relating to the implementation or interpretation of this Contract, authorized representatives of the District and the School will meet at the request of either party to discuss a resolution to the dispute.
- B. **Formal Notification of Dispute.** If the dispute is not resolved, either party may submit to the other a written notice identifying the specific action or omission with which it disagrees, any contract provision which it alleges was violated and specific corrective action or omission it wishes the other party to take or not take. Such notice shall be given twenty (20) days of the time the party knew or should have known of the action or omission at issue.
- C. **Non-Binding Arbitration.** If the parties are unable to negotiate a resolution to the dispute within ten (10) days of receipt of such notice, either party may request non-binding arbitration. The party making the request will notify the other party of the request in writing. Within one week of receipt of notice by the other party, the authorized representatives of the parties will attempt to agree on an arbitrator. If they reach no agreement within one week after the first attempt to agree, they will request appointment of an arbitrator by the American Arbitration Association or such other organization as may be mutually agreed upon.
- D. **Procedure.** The arbitrator will conduct a hearing limited to the issues raised in the notice required by Section B above. The arbitrator will have authority to make procedural rules and will issue a report to the parties within thirty (30) days after the close of the hearing. Such a report shall contain findings and a recommendation regarding the issue(s) in dispute. The report submitted by the arbitrator shall be the “decision” rendered in this process under C.R.S. § 22-30.5-107.5. Within one week of receipt of the arbitrator’s report by both parties, authorized representatives of the parties will meet to discuss a resolution to the dispute based on the findings of fact and recommendation in the arbitrator’s report.
- E. **Board Action.** If the parties are unable to negotiate a resolution to the dispute after receiving the arbitrator’s report, the parties shall then submit the arbitrator’s report to their respective governing boards for action. The District Board of Education’s action on the recommendation shall be final and binding, subject only to such appeal as may be authorized by law.
- F. **District’s Authority.** If the health and safety of the School’s students is clearly in danger, the dispute resolution process set forth in this Contract shall not be required prior to the exercise of any contractual right or authority by the District or its Board, including remedial authority for any breach of this Contract, provided that the District’s exercise of any such right or authority shall be subject to this dispute resolution process.

- G. **Waiver.** Failure to file notice within the time specified in Section B above or failure of a party to advance the process within the times specified shall be deemed a waiver of any further right to contest an action covered by this procedure and shall forever bar any claim or proceeding related to such action, provided that the parties may agree in writing to extend any of the time limits for a specified period.
- H. **Costs Shared.** The parties will share equally the costs of arbitration, including any per diem expenses, plus any actual and necessary travel and subsistence expenses. A party who unilaterally cancels or withdraws from a scheduled arbitration will pay their own attorney fees.
